

Melissa P. Piliang, MD, FAAD
Board of Director Candidate

Melissa Piliang here..... Candidate for the Board of Directors.....
Dermatologists face many challenges – As your champion – for fair payment,
physician led teams and diversity - I will be a visible and vocal member of the
Board committed to representing all members regardless of practice type,
subspecialty or locale.

My commitment to fighting for dermatologists and our patients is strong
demonstrated by years of leadership and advocacy. But... there is more to be
done.

As a united specialty we can be prepared to face the challenges and persevere.

Please Vote!and remember me when you do!
