SAFE + SECURE

Safety is a priority for our clients, community, and all visitors to Ciel. We appreciate your partnership & communication to maintain a safe space for all!

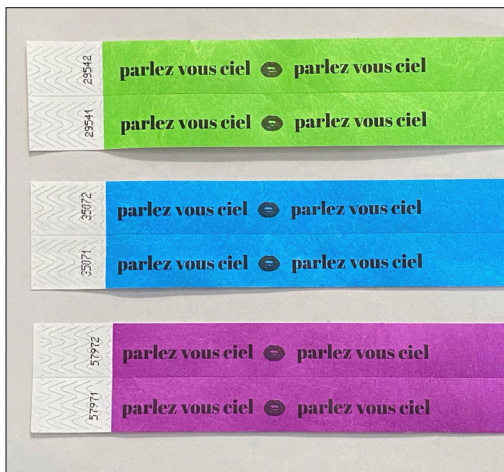

PRODUCTIONS

All Crew members are required to wear Ciel issued ID when on site

- Upon arrival, a Ciel Coordinator will provide ID for all cast & crew with your production
- Production is required to distribute & monitor ID for all members for identification
- ID should be worn so it is easily visible

POINTS OF ENTRY

Ciel Staff will always wear visible identification via lanyard, button, or clothing

- Exterior doors should not be propped open
- Studio doors are controlled by key cards
- Loading docks should be secured at all times with scissor gate & padlock
- Production must contact Ciel Staff to access the loading dock
- Production must monitor loading dock doors during high traffic (loading, breaks, deliveries)

Add-On: Private Security Guard services available upon request

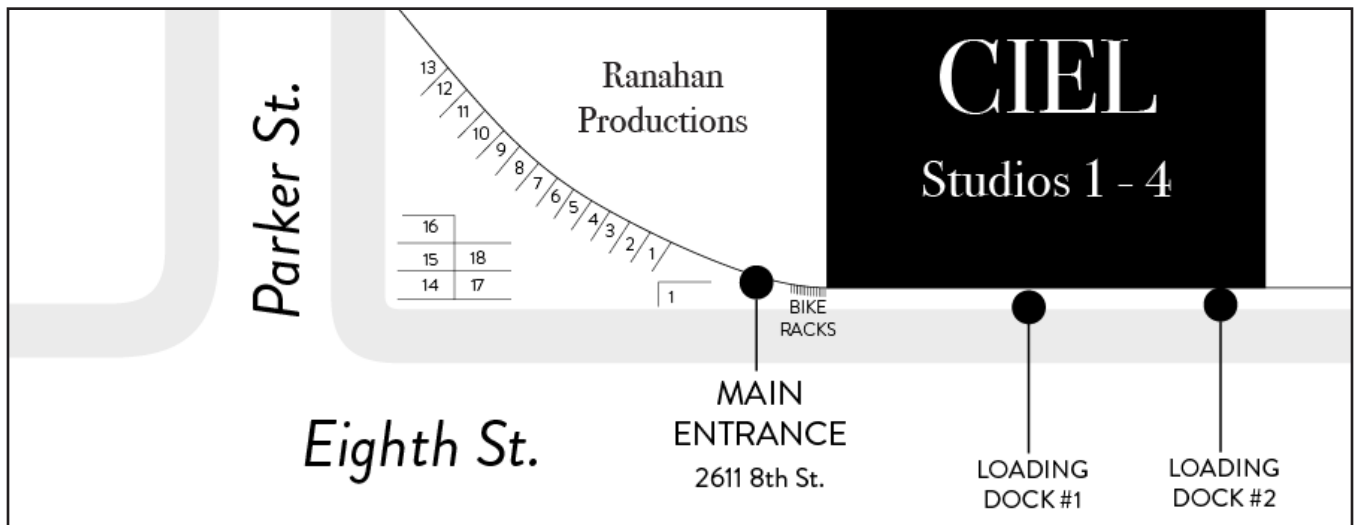

COVID PROTOCOL

- All visitors to Ciel must complete our [Symptom Screening Survey](#)
- Temperature checks will be taken at the entrances
- Please see full Health & Safety Guidelines [here](#).
