

Daniel Hartert

Date of birth: 9 December 1958

Nationality: German

Daniel Hartert was appointed to the Supervisory Board of ABN AMRO Bank N.V. as member effective 11 September 2025 for a period of four years. His term of appointment will expire upon the closing of the annual general meeting in 2030.

Daniel is an experienced Chief Information Officer (CIO) and Chief Executive Officer (CEO) with a demonstrated track record working in various industries (Healthcare, Medical Devices, Consumer Electronics, Media, Semiconductors) across different geographies (Germany, the Netherlands, USA). Leading and motivating large organizations for constant change, developing new capabilities for businesses, driving digital transformation across the value chain and within the context of new ecosystems and platforms. From 1999 to 2021, he fulfilled various CIO and CEO roles reporting directly to the executive board. Amongst others, he was CIO at Bertelsmann AG & CEO media Systems GmbH (from 1999 – 2002), CIO of the Philips Group (from 2002 – 2007), CEO of Philips Imaging Systems at Philips Healthcare (from 2007 – 2008) and CIO of Bayer AG & CEO of Bayer Business Services GmbH (from 2009 – 2020). He has also obtained experience as non-executive; until recently he was a member of the supervisory board of Nagel Group SE.

Based on the diverse and intense experience of the various leadership positions over 25+ years, he currently engages as non-executive board member and senior advisor to provide value by consulting on strategic, operational, technical and leadership topics. In that context, taking advantage of a vast personal network across Europe, Asia and the Americas, in particular within the IT industry and the global CIO community. In his role as CxO advisor he provides strategic guidance and expert advice to executive boards of various organisations. More in particular in the context of digital transformation and information security and the customer-centric approach to business operations.

Education:

- Master in Computer Science and Business Administration, University of Kaiserslautern (Germany) (1986)

Other ancillary positions:

- advisor to the management board of Capgemini SE
- Advisor to the management board of at Netskope Inc.
