FINAL TERMS

ABN AMRO Bank N.V.

(incorporated in The Netherlands with its statutory seat in Amsterdam and registered in the Commercial Register of the Chamber of Commerce under number 34334259)

Issue of EUR 750,000,000 0.500 per cent. Senior Preferred Unsecured Fixed Rate Notes due April 2026 (the "Senior Preferred Notes")

under the Programme for the issuance of Medium Term Notes

PROHIBITION OF SALES TO RETAIL INVESTORS - The Senior Preferred Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU ("**MiFID II**"); (ii) a customer within the meaning of Directive 2002/92/EC ("**IMD**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Directive. Consequently no key information document required by Regulation (EU) No 1286/2014 (the "**PRIIPs Regulation**") for offering or selling the Senior Preferred Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Senior Preferred Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

MiFID II product governance / Professional investors and ECPs only target market – Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Senior Preferred Notes has led to the conclusion that: (i) the target market for the Senior Preferred Notes is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Senior Preferred Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Senior Preferred Notes (a "**distributor**") should take into consideration the manufacturers' target market assessment; however, a distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Senior Preferred Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.
