Client benefits

- Access to multiple counter-parties and pools of liquidity
 - Suitable for investment, hedging or treasury purposes
 - Realize operational efficiencies
- Offering includes both OTC and CCP cleared products
 - Advanced risk modelling, cross product & cross market correlation
- Consolidated and customized reporting
 - Neutral service provider with no proprietary trading interest or own price feed
 - Transparent fee structure

ABN AMRO Clearing integrates OTC FX positions in a client portfolio with correlated cross-product margining to generate optimal offset between all OTC and exchange-traded positions in securities, futures, and derivatives.

ABN AMRO Clearing Bank N.V. (“AACB”) has different models in place and reflects a transparent and neutral pure Prime Brokerage model in which we pass on liquidity on a one-on-one basis to clients without any mark up. Clients can leverage on the contracts AACB has in place with a wide variety of OTC counterparties and Prime Brokers.
