

Boulevard Professional App

A powerful app for empowered professionals

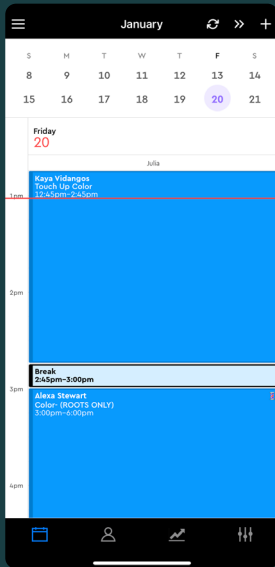

Service providers are always on the go. Our **Professional App** makes it easy for them to manage their day and clients by providing a one-stop-shop for scheduling, appointment checkout, alerts, performance tracking, and more.

Boulevard offers the first and only client experience platform purpose-built for appointment-based, self-care businesses.

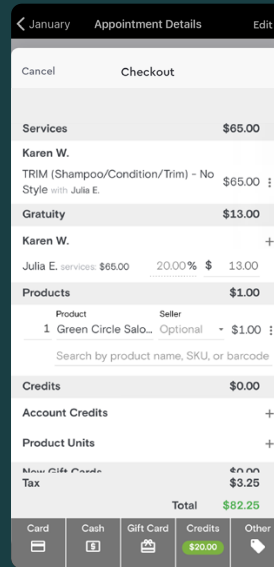

We're ready for you.

Schedule on the go

Book, reschedule, or cancel appointments anywhere, anytime. Get notifications via push, text, or email for new bookings, client arrivals, and cancellations so you never miss a beat.

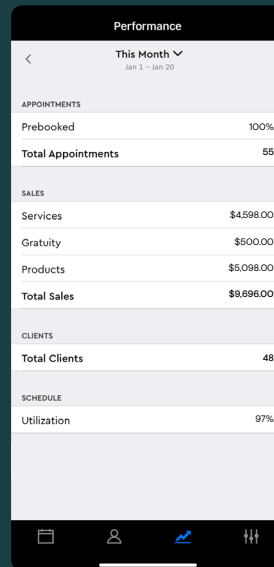

Process Payments Beyond The Front Desk*

Mobile Checkout allows all staff to close out appointments right from their phones using the credit card on file, alleviating front desk lines and encouraging upsells.

Provide a Personal Touch

Review client profiles before appointments for a quick refresher on past services, notes, previous purchases, and more.

Track Your Performance

Track personal stats such as number of appointments and clients, prebooked percentage, sales, and more to measure your success.

The **Boulevard Professional App** is available in the Apple App Store for iPhone or Google Play for Android.

*Mobile Checkout is available for iOS Professional App users
