

**BOULEVARD**

# Simply sync product sales

Simplify selling products online with Boulevard's Shopify app. Sync all your products and gift cards between your Boulevard point of sale and your Shopify storefront to better manage inventory and create a seamless, consistent client experience online and in-store.

# How it works

- Install the Shopify app from your Boulevard dashboard
- Map your Shopify products and storefronts to your Boulevard products and locations
- Sell Boulevard gift cards\* that can be redeemed in-store or on your Shopify storefront
- Sync inventory quantities and gift card balances to know where you stand
- Keep reports aligned to avoid any confusing discrepancies

\*Partners must have Shopify Plus to utilize the gift card sync
