### Check in clients

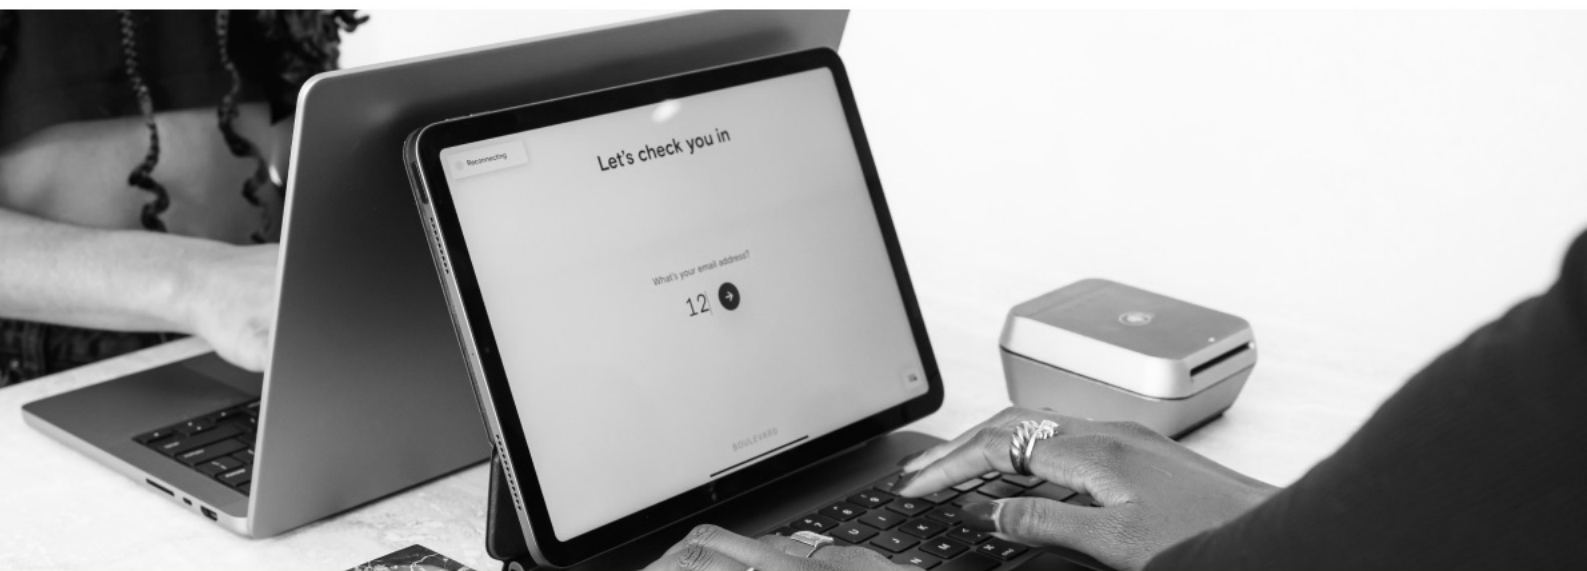

Use the Boulevard Duo app to welcome and check in clients, collect necessary appointment information, and let your staff know they've arrived. Front desk busy? You can also accept walk-ins and gather their personal information without lifting a finger.

### Collect digital forms

Clear the clipboard clutter. Create custom digital forms and use your iPad to gather all the information your staff needs to perform their best. Keep all client information on file for future appointments. Learn more about the [Forms add-on here!](#)

### Accept payments & gratuity

Offer your clients flexible, contactless payment methods like Apple Pay and Google Pay. Securely process payments with EMV technology using the Boulevard Duo card reader and discreetly accept gratuity from the iPad.

Boulevard offers the first and only Client Experience Platform purpose-built for appointment-based, self-care businesses.
