Life and thought of M.K.Gandhi

Introduction:

In the eyes of millions of his fellow Indians, Gandhi was the Mahatma ("Great Soul"). The unthinking adoration of the huge crowds that gathered to see him all along the route of his tours made them a severe ordeal; he could hardly work during the day or rest at night. "The woes of the Mahatmas," he wrote, "are known only to the Mahatmas." His fame spread worldwide during his lifetime and only increased after his death. The name Mahatma Gandhi is now one of the most universally recognized on earth. The study of Gandhi is not merely the study of his life, work and ideas, it is also the daily evolving application of those ideas to new challenges and situations. In this book the careful reader will find much new ground being uncovered before his eyes and many incentives to new thinking.

Objectives of Course:

The object of this winter school is to record, for the present and future generations, the story of the struggles and achievements of the eminent sons and daughters of India who have been mainly instrumental in our national renaissance and the attainment of independence. "Gandhi: Life and Thought is to make the young students understand the continuing relevance of the vision of Gandhi and his thought.

Life and Thought of Dr. B.R. Ambedkar

Introduction:

Babasaheb Dr. B.R. Ambedkar was a great National Leader of Twentieth Century. He was an intellectual giant, statesman and contributor of nation building. He led a number of movements to emancipate the downtrodden masses and to secure human rights to millions of depressed classes. He has left an indelible imprint through his immense contribution in framing the Modern Indian Constitution. He is a symbol of Social Justice.

Objectives of School:

The main objectives of this course is to understand, assess and disseminate ideas and thoughts of Dr. Babasaheb Ambedkar, particularly on subjects like Economics, Politics, Religion, Philosophy, Constitutional Studies, Education, Social Work, Human Rights for National Goal of Social Justice. In each of these disciplines the focus will be on research and teaching and deprived sections of Indian Society. In achieving this objective, the Dr. Babasaheb Ambedkar Chairs will also undertake research work and higher studies concerning socio-economic and cultural life of the marginalized sections including other sections of the society. The Chairs would strive to develop appropriate methodologies to translate Dr. Ambedkar's ideas into practical propositions and policy instruments.
