

## For the Love of Film Cinema Seat Dedication

**Donate \$2,500 or more to the For the Love of Film fund and celebrate cinema by** naming a seat after your favourite movie.

Your tax-deductible gift will help us to invest in the recovery and sustainability of TIFF, to reimagine the film experience for our audiences, and to support the film industry and our community partners.

A Seat Dedication doesn't just mean celebrating your love of film — it's also a way to celebrate family, friends, businesses, or even yourself. It can be used to commemorate a special occasion or honour the memory of a loved one. It's the perfect gift for anyone who believes in the power of film.

As we open Cinema 5 to seat dedications for the first time, we hope you'll consider making a pledge this holiday season.
