**TORONTO** — Joana Vicente and Cameron Bailey, Co-Heads of TIFF, announced today that Academy Award–nominated and six-time Grammy Award–winning composer Terence Blanchard will be honoured with the TIFF *Variety* Artisan Award at this year’s TIFF Tribute Awards. The award recognizes a distinguished creative who has excelled at their craft and made an outstanding contribution to cinema and entertainment. The TIFF Tribute Awards will be broadcast on Tuesday, September 15, at 8pm ET/PT on CTV and everywhere CTV content can be found, during the 45th edition of the Toronto International Film Festival, and will be streamed to a global audience by *Variety*, the exclusive trade media partner of the event. Last year’s *Variety* Artisan Award was given to Academy Award–winning cinematographer Roger Deakins.

Blanchard was nominated for an Academy Award for Best Original Score for 2018’s *BlackKkKlansman*, directed by Spike Lee. He was also nominated for a BAFTA Award for his original music in the film, and won a Grammy for Best Instrumental Composition for a track from the film. His expansive work includes composing scores for Spike Lee’s *Malcolm X* and *When the Levees Broke*; Kasi Lemmons’ *Eve’s Bayou*, *Talk to Me*, and *Harriet*; George Lucas’ *Red Tails*; Tim Story’s *Barbershop*; and the HBO drama series *Perry Mason*, among many other titles. Most recently, Blanchard has composed the scores for Regina King’s feature directorial debut, *One Night in Miami*, which will screen at TIFF and be released by Amazon Studios; Halle Berry’s directorial debut, *Bruised*, which will have its World Premiere at TIFF; and Spike Lee’s *Da 5 Bloods*, which was released by Netflix this summer.

“For over 25 years Terence Blanchard has composed some of the most breathtaking and moving scores in film and television,” said Vicente. “From his frequent work with Spike Lee on *25th Hour*, *BlackKkKlansman* and most recently *Da 5 Bloods*, and Kasi Lemmons on *Eve’s Bayou* and last year’s *Harriet*, he has created musical

We are thrilled to be honouring him with the TIFF *Variety* Artisan Award and to showcase his dynamic work, including *One Night in Miami* and *Bruised*, both of which we look forward to sharing with our TIFF audiences this September.”

“Terence Blanchard has a musical genius that is just unparalleled – his scores have amplified the energy, sincerity, and drama of each of the incredible projects in his mesmerizing body of work,” said Steven Gaydos, EVP of Content at *Variety*. “His groundbreaking craft has changed musical appreciation as we know it. He continues time and time again, through sound, to change the way in which stories are told to audiences.
