THE WORLD IN BRIEF: TORONTO INTERNATIONAL FILM FESTIVAL ANNOUNCES INTERNATIONAL SHORT CUTS TITLES

TORONTO — The Toronto International Film Festival® has unveiled the 35 exceptional short films that make up the International portion of this year's Short Cuts programme. A lineup that stands out for its diversity of voices and backgrounds, the International selection for 2017 includes works from over 30 countries in 16 different languages, with a strong presence from the Middle East and South America. Of the 35 selected films, 17 were directed by women.

The International lineup also includes seven stunning short animations, including Niki Lindroth von Bahr's *The Burden* (*Min börda*), winner of the Cristal for a Short Film award at the 2017 Annecy International Animation Film Festival, and *The Death, Dad & Son* by Denis Walgenwitz and Winchluss, the renowned French comic book artist whose film credits include co-writing and co-directing the Oscar-nominated *Persepolis* (07). Another well-known name featured in the lineup is Justine Bateman; the former *Family Ties* star's short film directorial debut, *FIVE MINUTES*, will be premiering at the Festival.

Programme highlights also include Ifunanya Maduka's heartbreaking *Waiting for Hassana*, which shares a brave teenager's devastating account of the 2014 Boko Haram kidnapping; Mahdi Fleifel's *A Drowning Man*, the dramatic story of a young immigrant trying to survive in a new and strange city; and Yang Qiu's *A Gentle Night* (*Xiao Cheng Er Yue*), which will be screening fresh off its Short Film Palme d'Or win at Cannes.

Films in the Short Cuts programme are eligible for the IWC Short Cuts Award for Best Film. This year's jury includes Marit van den Elshout, Head of CineMart at the International Film Festival Rotterdam; TIFF 2016 City of Toronto Award for Best Canadian First Feature Film winner Johnny Ma (*Old Stone*); and Cannes 2017 Art Cinema Award winner Chloé Zhao (*The Rider*).

Short Cuts is programmed by Jason Anderson and Danis Goulet. The Canadian titles that are part of this year's programme will be announced on August 9, 2017.

The Short Cuts programme is made possible through the generous sponsorship of IWC Schaffhausen.

The 42nd Toronto International Film Festival runs from September 7 to 17, 2017.
