Call For Film Pitches: Battle of the Scores at the TIFF Next Wave Film Festival

BATTLE OF THE SCORES spotlights the next generation of film and music talent by challenging **FOUR** bands/artists to create an original score for a silent short film. TIFF Next Wave is looking for **TWO** Toronto filmmakers to create two separate silent short films on the theme of **NOSTALGIA**.

Each of the two selected filmmakers will receive \$500 to create their short film. The films will then be handed off to young bands/artists, who will have three weeks to compose and record an original score. This is a super-fun, unique way to have your work featured at the TIFF Next Wave Film Festival! Whether you're a young creator or a first-time filmmaker, **WE WANT YOUR IDEAS!**

The films with their accompanying musical scores will be presented on TIFF's Instagram account and in-person at the TIFF Next Wave Film Festival, February 18-20, 2022. Audience voting will determine which two bands/artists will perform in a final showdown, live and in person, to claim the prize for **BEST SCORE**.

SUBMIT YOUR FILM PITCH by filling out this [google form \(click here\)](#).
DEADLINE: Monday, December 6, 2021.

The form will ask for a **SHORT DESCRIPTION** of your project and a **VISUAL INSPIRATION**. If you have any questions, email us at nextwave@tiff.net.

TIFF Next Wave is excited to spotlight the next generation of local film and music talent at Battle of the Scores! We look forward to seeing your ideas.
