

Cannes Critics Week panel:  
Educational Programmes

The following list of college and university post-secondary programmes correspond to the topics and themes discussed during the Higher Learning event. This list is meant to serve as a jumping-off point for further research into educational and professional development. Programmes are specific to Ontario, except in very specialized cases, where there may be programmes included from abroad. Please refer to the school and individual programme websites for the most up-to-date information.
