

## Childcare for Professionals at TIFF

Last Updated: August 13, 2019

### Overview

To improve the experience of accredited industry, press, and guests with families at the Festival, TIFF has expanded what it offers to parents and children. These revamped services include subsidized daycare, babysitting recommendations, private spaces for parents to feed and change their infants, access to Festival spaces for caregivers, and a guide to nearby family-friendly activities and resources.

TIFF thanks the **Parenting at Film Festivals Group** for their guidance and **Kids & Company** for their generous support.

### 1. Daycare and Babysitting

All Industry, Press, and Guest accredited professionals are eligible for subsidized daycare at [Kids & Company](#), with multiple locations within a 5 minute walk from TIFF Bell Lightbox. The reduced rate of \$40 CAD per day, per child, is available from September 5 to 12. Daycare hours of operation are from 7:00 am to 6:00 pm. To register your child for daycare during the Festival, please email Chelsea Kennedy at [ckennedy@kidsandcompany.com](mailto:ckennedy@kidsandcompany.com). Please confirm your child's name, age, date care is required and the Kids & Company location you prefer. Placement is subject to availability and on a first-come, first-served basis. Once you have requested your preferred location, Chelsea will connect to confirm the location and next steps on registration. Kids & Company locations [can be viewed here](#).

## 2. Family-Friendly Spaces

This year the TIFF Industry Centre at the Hyatt Regency Hotel, presented by Shutterstock, and the Glenn Gould Theatre, location of the Industry Conference, will have Family-Friendly Spaces. These quiet spaces will be identified on venue maps and have clear signage. Other venues that professionals frequent, including the Scotiabank Theatre and TIFF Bell Lightbox, have family-friendly washrooms with clear signage.

Children do not require passes to access these spaces with their parents.

### 3. Venue Access

All accredited professionals traveling with their own childcare support (i.e nanny, partner, grandparent, etc.) can access a Lobby Pass for them through our Customer Relations Team. A Lobby Pass will allow the caregiver to enter the space. To enter the cinema or sit in cinema, individuals will require a ticket.
