

Ways of Seeing (in) African Cinema panel:
Selected Bibliography

The Higher Learning staff curate the digital resource packages to complement and offer further context to the topics and themes discussed during the various Higher Learning events held at TIFF Bell Lightbox. These filmographies, bibliographies, and additional resources include works directly related to the guests' career and event's themes, as well as works that, while seemingly unrelated, were discussed during the event as jumping off points for further research. Please refer to the event video to see how all topics and themes relate to the Higher Learning event.
