

## Companies with Donation Matching Programs

In addition to our major corporate sponsors, TIFF relies on the philanthropic support of the corporate community, who enable many of TIFF's programmes and initiatives. Through Corporate Matching Gifts, a donation can be made by an employer that matches the amount of an employee's personal donation to a charity of their choice. Through these kinds of programs, companies can help their employees make a larger, more impactful gift to TIFF.

On the list? Make your donation today at [tiff.net/donate](http://tiff.net/donate) and contact your Human Resources team about your company's matching gift program.

The list below is not exhaustive. Not on the list? Check with your Human Resources department for an existing Donation Matching Program or consider starting one today!
