

COMMUNITY ADVISORY

PROJECT NAME: Infrastructure Upgrades at Park Place

PROJECT#: SEK002386

BOROUGH: Brooklyn

ADVISORY ISSUED: 4/17/2023

Water Interruption

Wednesday, April 19, 2023

8:30 am to 4:30 pm

WHY IS MY WATER BEING TURNED OFF?

Please be advised there is a scheduled water interruption on April 19, 2023 (weather and/or field conditions permitting) to replace the 12" existing water main. It will occur at/about 8:30 am and last for approximately 8 hours until 4:30 pm.

On occasion, this work may be completed earlier, and water service will be restore

Shutdown Location: 303 Park Pl to Vanderbilt Ave, 306 Park Pl to Vanderbilt Ave, 673 Vanderbilt Ave and 675 Vanderbilt Ave

If you have any questions, concerns, or would like to learn more about this DDC Project, please call the Community Construction Liaison:

Shernell Pemberton
Office: 646-908-2130
Cell: 347-967-0496
Parkplccl@gmail.com
Office Hours: 7 am - 3:30 pm

During non-construction hours please contact 311 for non-emergency city services.

PLEASE NOTE: Due to unforeseen conditions (weather, field conditions, etc) it may become necessary to change some scheduled work locations and operations

Handling a temporary water shutdown

The NYC Department of Design and Construction (DDC) installs and repairs the underground pipes that deliver water in New York City. Some pipes are over 100 years old and need to be replaced. New types of pipes are more resistant to cracks and breaks. They will safely deliver high-quality water for decades to come.

To do this essential work, we have to temporarily turn off your water.

Your water will be turned back on at the end of each work shift.

BEFORE THE WATER SHUTDOWN

- Store water for cooking, cleaning, and other needs
- Shut off the water main valve in your house or building to prevent plumbing problems, including brown water from sediments (or ask your landlord or super to do so)
- Turn off water-cooled systems such as central air and heating

ONCE THE WATER IS BACK ON

- Turn on the building's water main valve (or ask your landlord or super to do so)
- Run all sink and tub faucets for 15-30 minutes to flush the plumbing

QUESTIONS OR CONCERNS?

If you have any concerns or questions, or would like to receive updates, please contact this project's dedicated Community Construction Liaison. If you will be uniquely impacted by this work, you may request a special accommodation, if possible.

ADDITIONAL INFORMATION

During non-construction hours, please call 311.

Please be advised, the water main installation is being performed on behalf of the sponsoring agency, NYC Department of Environmental Protection (DEP). If you have questions about water quality, please contact DEP.

Community Construction Liaison (CCL)

The DDC has assigned Shernell Pemberton, as the Community Construction Liaison (CCL) for this project. Please contact Ms. Pemberton for project updates or any project related inquiries/concerns you may have.
