## PRODUCT SAFETY RECALL

21.01.2026

NAME: **The monsters**

BRAND: **Pop Mart**

Dear Customer,

There is a recall of the product on the Safety Gate portal ([details here](#)). The product contains small parts (metal rings, hands and feet, plastic stone in the hair slide, decorative plastic flower) that can easily detach. A small child may put them in the mouth and choke. Additionally, the product has an excessive concentration of bis(2-ethylhexyl) phthalate (DEHP) and diisooctyl phthalate (DIOP) (measured value up to 14.5% by weight, combined). These phthalates may harm the health of children, possibly causing damage to the reproductive system.

Please do not use it if you have an affected product with the EAN **6941848277442** and batch numbers **44006-2P2** and **51006-2P1**. Please contact [support@wolt.com](mailto:support@wolt.com) to get a refund or Wolt credit if you have an affected product.

From our side, we have taken all necessary steps to make sure all the affected products are no longer available on our platform. If you have any questions or concerns, please don't hesitate to contact [support@wolt.com](mailto:support@wolt.com). We are here for you!

Best regards,
