PRODUCT SAFETY RECALL

09.01.2026

NAME: **Electric Kettle**

BRAND: **Michelino**

Dear Customer,

There is a recall for the product from Safety Gate. The product does not comply with the Persistent Organic Pollutants (POP) Regulation because of an excessive concentration of short chain chlorinated paraffins (SCCPs) (measured value up to 13% by weight) in the 'black plastic (plug)' and 'black plastic (cable sheathing) components.'

Please do not use it if you have an affected product with the product batch number: **#BE0004219-EAN 4047125743531**. Please contact **support@wolt.com** to get a refund or Wolt credit if you have an affected product. If you have any further questions regarding the product, please contact directly with the merchant Big Mat.

Phone: +35623384400 Website: <https://bigmatmalta.com/>

From our side, we have taken all necessary steps to make sure all the affected products are no longer available on our platform. If you have any questions or concerns, please don't hesitate to contact support@wolt.com. We are here for you!

Best regards,
Wolt Support
