## PRODUCT SAFETY RECALL

20.01.2026

NAME: **Portable light 9,5W AC 220 V**

BRAND: **Gardlov**

Dear Customer,

There is a recall of the product on the Safety Gate portal ([details here](#)). There is no safe isolation barrier between the primary and secondary circuits in the LED light source. Moreover, the metal base of the LED light source is touchable when the light source is connected to the lamp holder. The user may touch live parts and receive an electric shock.

Please do not use it if you have an affected product with EAN: **4049775587527**. Please contact **support@wolt.com** to get a refund or Wolt credit if you have an affected product.

From our side, we have taken all necessary steps to make sure all the affected products are no longer available on our platform. If you have any questions or concerns, please don't hesitate to contact [support@wolt.com](#). We are here for you!

Best regards,  
Wolt Support
