## PRODUCT SAFETY RECALL

08.05.2026

NAME: **Royal Black Henna**

BRAND: **Royal**

Dear Customer,

There is a recall of the product on the Safety Gate portal ([details here](#)). The product contains p-phenylenediamine (PPD) (measured value 9.68 g/100g by weight) without coupler substances. Uncoupled PPD is an extreme skin sensitiser and can cause allergic contact dermatitis.

Please do not use it if you have an affected product with the EAN **8901371090015** and batch number **023**. Please contact [support@wolt.com](mailto:support@wolt.com) to get a refund or Wolt credit if you have an affected product.

From our side, we have taken all necessary steps to make sure all the affected products are no longer available on our platform. If you have any questions or concerns, please don't hesitate to contact [support@wolt.com](mailto:support@wolt.com). We are here for you!

Best regards,
