## PRODUCT SAFETY RECALL

11.09.2025

NAME: **Natural Toothpowder, Activated Charcoal**

BRAND: **Georganics**

Dear Customer,

There is a recall of the product on the Safety Gate portal ([details here](#)). **The product contains an excessive amount of aerobic mesophilic bacteria (400 CFU). These bacteria may cause infections in some consumers, particularly those with a weakened immune system.**

Please check the batch number **TPD60A070220** on the product labelling and contact **support@wolt.com** to get a refund or Wolt credit if you have an affected product. Please do not use it if you have an affected product and dispose of it. If you have any further questions regarding the product, please contact Georganic's customer support. ([link here](#))

From our side, we have taken all necessary steps to make sure all the affected products are no longer available on our platform. If you have any questions or concerns, please don't hesitate to contact [support@wolt.com](#). We are here for you!

Best regards,  
**Wolt Support**
