1. Print out as a template, cut out, and trace onto a file folder, cardboard, or a cereal box; or print out on heavy cardstock and cut out.
2. Paint or color both sides blue in honor of Virginia Giuffre. If you're drawing directly on the print out you can do this step before cutting it out.
3. Attach to a stick, pencil, chopstick, dowel, etc with tape or glue. Fold in half down the center to give it a flapping motion.
