## MURMUR

EXQUISITE COMBINATION OF SILK LIKE PILE AND COTTON LOOPS CREATE A MULTI-DIMENSIONAL BROKEN STRIPE EFFECT. MURMUR IS HAND KNOTTED OVER STEEL RODS, WRAPPED AND THEN CUT.

Pile shedding is a normal characteristic of heavy quality rugs. When necessary, clip them flush to the rug surface, but avoid pulling the yarn knots out of the surface pile.

Suction vacuum preferred. If vacuum has a beater bar, make sure the setting is high enough to avoid damaging the rug.

Professionally clean only. If a spill occurs, blot immediately with a clean sponge or cloth.

Rug padding is recommended.

These rugs are artisan made, some natural variation of color and texture may occur.
