THE FINIAL COMPANY™ |  PARIS TEXAS HARDWARE™

January 30, 2025

Dear Valued Fabricut Customers,

We're pleased to share that effective immediately we've updated the Flat Rate Shipping Program for The Finial Company™ and Paris Texas Hardware™. This program makes it simple, convenient and predictable to ship these products. Small orders that fit into the listed FedEx One Rate® Envelope, Pak or Box will ship 2nd Day Air. Shorter products, pending dimensions and max quantities, will ship ground with a flat rate per box fee. After a certain box quantity, ground shipment orders will adjust to LTL to save on fees. This program applies to all orders shipped within the U.S.A.

The Flat Rate™ Shipping Program rates do not apply if you are shipping using a 3rd party freight account, which have rates based on the relevant 3rd party freight agreement.

Based on product dimensions, certain products over 92" up to 96" and over 96" up to 104" will only fit in the larger box sizes. Please refer to the Flat Rate Box Chart on the following pages for a comprehensive list of eligible products and their respective maximum quantities per box.
