All product names, logos, and brands are property of their respective owners. Snack and product substitutions may occur. We continually look for new menu options, so be sure to listen for any announcements regarding additional choices on this flight. Sun Country offers a variety of snacks, beverages, and other items for sale on board. We accept the following credit cards: Visa® and MasterCard®. For questions, please see your flight attendant. ALCOHOL SERVICE: Food and beverage selection subject to availability and price changes. Flight attendants are responsible for the safe service of alcohol on board our flights. FAA requirements mandate that only alcohol provided by Sun Country and served by our flight attendants can be consumed on our flights. No alcohol may be served to any person who appears to be intoxicated, or who is under 21 years of age.

Connect and fly.

REVISED MAY 2025

Charge while you play.

Enjoy hours of fun from our free library of movies, shows, games, and music through our secure wireless AirFi network. While onboard, you can charge your device* and stream a variety of great free entertainment, even though there is no access to the internet. Headphones (if you forgot yours) are available for $3.

Connect your device.

Stream content using the 4 easy steps below.

1 Ensure both Airplane mode and WiFi are turned on.

2 Connect to the “SCAplay” WiFi network

3 If prompted, select “Connect” to proceed to the homepage.
If prompted with “Copy URL”, follow the on-screen instructions.
If not prompted, navigate to “airfi.aero” with a supported browser.

DEVICE COMPATIBILITY	BROWSER	SUPPORTED OS
iPhone/iPad/Mac	Safari	iOS 13+ / Safari 13+ on macOS
Android Devices	Chrome	Android 7+
PC or Other	Chrome	Windows 7, 10

4 Follow the prompts to enjoy your media

TROUBLESHOOTING TIPS:

1. Ensure that your device is in airplane mode.
2. Ensure you're using the correct browser for your device. Compatibility chart is in step 3 above.
3. Ensure your device and operating system version is supported. (Device OS can be found in settings)
4. Content may take a bit to load. After making a selection, give the content up to 30 seconds to start playing.

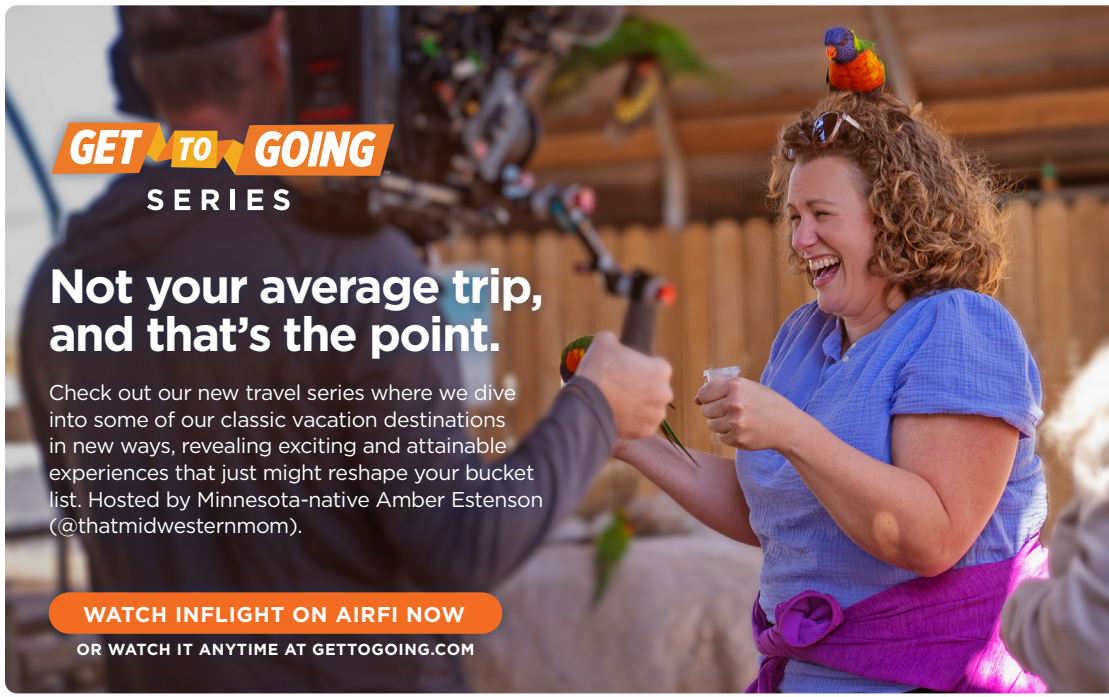

PERSONAL ELECTRONIC DEVICES: Smartphones and tablets can be used onboard while in airplane mode. Laptops and other personal electronic devices more than 2 lbs. can also be used, but must be stored overhead or under the seat in front of you during taxi, take-off, and landing.

*Best seats, located in the front of the aircraft, offer USB charging ports and AC power outlets. Other USB charging ports vary by aircraft. On aircraft equipped with AirFi, streaming performance may be affected by the number of users connected.

Onboard Photos and Video: The use of small cameras or mobile devices for taking photos and/or video is permitted on your flight. However, taking photos and/or videos of other passengers and crewmembers without their prior express consent is strictly prohibited. If at any time, and for any reason, a crew member asks you to not use your camera/mobile device, follow his or her instructions. Voice and audio recording or transmission while on a Sun Country Airlines aircraft is strictly prohibited, except to the extent specifically permitted by Sun Country Airlines.

Sign up for Sun Country Rewards™ today.

Earn points for every dollar spent on Sun Country purchases - from your flight to your seat and that overhead bag. It's a win-win!

The Sun Country mobile app is here.

Our app is designed to put everything you need for your trip right in the palm of your hand.

Download it today at flysca.com/mobile-app.
