# SUN COUNTRY ADDS CONVENIENT, LOW-COST SERVICE FROM MORE MIDWEST CITIES

## PARTNERSHIP WITH LANDLINE CONNECTS 5 NEW MIDWEST CITIES TO 63 VACATION DESTINATIONS

**MINNEAPOLIS. February 2, 2021** – [Sun Country Airlines](https://www.suncountry.com) in partnership with Landline announced today it is offering door-to-door service and seamless connections to any of Sun Country's 63 vacation destinations from five additional Midwest cities: Brainerd, Minn., Rochester, Minn., St. Cloud, Minn., La Crosse, Wis. and Eau Claire, Wis.

The new operation offers seamless connection to Sun Country Airlines flights departing Minneapolis-Saint Paul International Airport (MSP) to any of Sun Country's more than 60 exciting vacation destinations via Landline Select, Landline's door-to-door private shuttle service.

Guests will visit [suncountry.com](https://www.suncountry.com) and select their local airport as their departure city. MSP will show up as a connection, and guests will clearly see which leg of their itinerary is ground and which is a flight. Sun Country passengers who wish to check luggage will be able to do so when they check in with Landline at their home or local airport and have their luggage transferred directly to the plane, creating a seamless connecting "flight."

All trips booked on [suncountry.com](https://www.suncountry.com) that include Landline Select segments guarantee private travel to and from MSP for up to four passengers in a fleet of vehicles featuring onboard amenities such as spacious leather seating, free Wi-Fi and entertainment.

"We are excited to make our convenient service, low fares and comfortable onboard experience available to more Midwesterners," said Sun Country Airlines Chief Revenue Officer Grant Whitney. "Our mission is to provide affordable, hassle-free service, while connecting our customers to great vacation destinations. We're excited to expand our network to these five new cities."

"This five-city expansion reaffirms our commitment to bringing Sun Country's low fares and great service to even more customers across Minnesota and Wisconsin," said Landline Chief Executive Officer David Sunde. "With the introduction of our newest product, Landline Select, customers will have the option to start their trip right from the comfort of their home."

Sun Country Airlines and their partner Landline began service in Duluth, Minn. and Mankato, Minn. in 2019.
