
Rule 1 - Application of Conditions of Contract

This Contract of Carriage sets forth the terms and conditions upon which Sun Country, Inc. (Sun Country, Sun Country Airlines or SCA), in consideration of the payment of the fare shown on the passenger ticket, agrees to provide passenger air transportation between origin and destination shown on the ticket. These rules constitute the conditions upon which Sun Country Airlines transports or agrees to transport and are expressly agreed to by the passenger by purchase of a Sun Country Airlines ticket by or on behalf of the passenger.

Consequential Damages

Purchase of a ticket does not guarantee transportation. Sun Country Airlines shall in no event be liable for any indirect, special, or consequential damages resulting from the performance or delay in performance of, or failure to perform, transportation of passengers and other services incidental thereto (except baggage liability as provided below) whether or not Sun Country Airlines has knowledge that such damages might be incurred.

Application of Fares

Fares apply for travel only between the points for which they are published. Tickets may not be issued at fare(s) published to and/or from a more distant point(s) than the points being traveled even when issuance of such tickets would produce a lower fare. When through or connecting passengers enplane at an intermediate point between the origin and destination shown on their tickets, Sun Country Airlines may require evidence, such as a boarding pass, of use of a preceding flight for the portion of the ticket from point of origin to intermediate point. Absent such evidence, Sun Country Airlines may require additional fare collection from the passenger for any difference between the fare paid for the ticket from origin to destination and the fare which would apply from the intermediate boarding point to the destination.

Employee Authorization

No employee of Sun Country Airlines has the authority to alter, modify, or waive any provision of this Contract of Carriage unless authorized by a corporate officer of Sun Country Airlines. Sun Country Airlines- appointed agents and representatives are only authorized to sell tickets for air transportation pursuant to the approved fares, rules and regulations of Sun Country Airlines. This rule supersedes any conflicting provision contained in the Contract of Carriage.

Interline Carriage

Sun Country will be responsible for the furnishing of transportation only on flights operated by Sun Country. When Sun Country undertakes to issue a ticket, accept checked baggage, or make any other arrangements for transportation to be furnished by any other carrier (whether or not such transportation is part of a through service), Sun Country acts only as agent for such other carrier and assumes no responsibility for the acts or omissions of such other carrier or that carrier's provision or non-provision of transportation.

Reference

Rule 50 - Acceptance of Children; Nonacceptance of Unaccompanied Children

Children are defined as persons under the age of fifteen (15) and are not accepted for transportation without being accompanied by an adult or a young adult. Young adults are defined as persons between the ages of fifteen (15) and seventeen (17). An adult is defined as persons eighteen (18) years of age or older. Persons under the age of eighteen (18) who are not accompanied by an adult will not be accepted for international travel.

- A person at least fifteen (15) but not more than seventeen (17) years of age (a "young adult") may accompany or be the responsible guardian for one (but not more than one) child as defined in this Rule 50.
- In all cases the child and the young adult must travel on the same flight and in the same compartment of the aircraft.
- Except as provided above, a person younger than eighteen (18) years of age may not be responsible for any other person on a Sun Country flight unless he or she is the parent of the other person.

- A maximum of one lap child per seat row is permitted.

The parent or guardian is responsible for securing the restraint system and the child into the restraint system. Car seats and strollers may be transported as checked baggage at no additional charge. Sun Country Airlines is not liable for any damage that occurs to infant/child car seats or strollers that are not properly packaged in a box and checked as baggage by the passenger at the ticket counter, except as otherwise required for international flights.

Child Accompaniment Service

Sun Country Airlines does not provide a child accompaniment service.

Rule 55 - Service Animals

Sun Country Airlines will accept for transportation without charge a Service Animal when the Service Animal accompanies the passenger with a disability in the cabin; however, the Service Animal will not be permitted to occupy a seat and must accompany the passenger in the passenger's lap or in the passenger's foot space (unless this location and placement would be inconsistent with the safety requirements set by the FAA or encroach into another passenger's space). Before traveling with a Service Animal, and, as a condition of permitting the Service Animal to travel in the cabin, the passenger must (i) provide Sun Country Airlines a current completed U.S. Department of Transportation Service Animal Air Transportation Form, and (ii) for a flight segment scheduled to take eight (8) hours or more, confirm that the Service Animal will not need to relieve itself on the subject flight, or that the animal can relieve itself in a way that does not create a health or sanitation issue on the flight by providing a current DOT Service Animal Relief Attestation Form. If a passenger's reservation is made more than forty-eight (48) hours prior to the subject flight's departure, the passenger intending to travel with a Service Animal must provide Sun Country Airlines forty-eight (48) hours advance notice by submitting the applicable form(s) identified in this section. Service Animals must be harnessed, leashed or otherwise tethered at all times by the passenger or Service Animal handler while at the gate and on the aircraft.

Sun Country Airlines reserves the right to deny transport to a Service Animal under the circumstances outlined in 14 CFR Section 382.79, including if the Service Animal poses a direct threat to the health or safety of others, it causes a significant disruption in the cabin or at an airport gate area, its behavior on the aircraft or at an airport gate area indicates that it has not been trained to behave properly in public, its carriage would violate applicable safety or health requirements of any U.S. federal agency, U.S. territory, or foreign government, or the passenger with a disability fails to provide completed current forms as required above.

Passengers with disabilities traveling with Service Animals accepted under this rule will be seated in compliance with "14 CFR Part 382 - NonDiscrimination on the Basis of Disability in Air Travel".

Sun Country Airlines will accept without charge a properly harnessed animal trained in explosive detection, drug detection or search and rescue when it is accompanied by its handler. Such animal will be permitted to accompany its handler in the cabin but will not be permitted to occupy a seat. The animal and its handler must be on official duty status and such status must be documented in writing to the satisfaction of Sun Country Airlines.

Rule 90 - Oxygen Service

Sun Country Airlines does not provide or allow passengers to bring continuous in-flight oxygen for a passenger's use or otherwise on any of its flights.

Sun Country Airlines does not accept for transportation as baggage personal oxygen equipment as defined in 49 CFR Parts 100-199.

Sun Country Airlines does accept for transportation in the cabin an FAA-approved Portable Oxygen Concentrator (POC) for a passenger's personal use during all phases of flight. Certain restrictions apply, and may be viewed on Sun Country's website (suncountry.com) or accessed by contacting Sun Country's Reservations center.

Rule 95 - Time Limitations on Claims Personal Injury or Death

To the maximum extent permitted by law, no action shall be maintained for injury to or death of any passenger on a U.S. domestic flight unless:

- written notice of the claim is given to Sun Country Airlines at any of its offices within forty-five (45) days after the alleged occurrence of the events giving rise to the claim, unless the claimant can show good cause for failure to give notice in a timely manner; and
- any legal action is commenced within one year after the occurrence of the events giving rise to the claim.

Overcharges

To the maximum extent permitted by law, no claim for overcharge shall be valid and no action shall be commenced thereon more than thirty (30) days after the expiration date of the ticket.

Baggage – see Rule 230.

Governing Law

This Contract of Carriage shall be governed by and construed in accordance with the laws of the State of Minnesota, disregarding that State's conflict of laws rules that may otherwise require the application of the laws of another jurisdiction.

No Class Action – No matter may be pursued under this Contract of Carriage or Sun Country's Tarmac Delay Plan or Customer Service Plan, except in a party's individual capacity and not as a plaintiff or class member in any purported class or representative proceeding.

Jury Waiver – All right to trial by jury in any action, proceeding or counterclaim arising out of or in connection with this Contract of Carriage or Sun Country's Tarmac Delay Plan or Customer Service Plan is waived irrevocably.

Limitation of Liability – International Flights

Sun Country Airlines' liability for death or personal injury to passengers traveling on international journeys shall be subject to the limitations contained in the Convention for the Unification of Certain Rules for International Carriage by Air (Montreal, 1999), including any amendments thereto ("Montreal Convention"). SCA does not stipulate to or accept higher limits. The right to damages shall be extinguished if an action is not brought within a period of two years, reckoned from the date of arrival at the destination, or from the date on which the aircraft ought to have arrived, or from the date the carriage stopped.

Nothing herein shall be deemed to affect the rights and liabilities of Sun Country Airlines with regard to any claim brought by, on behalf or in respect to any person who has willfully caused damage which resulted in death, wounding or other bodily injury of a passenger. Sun Country Airlines shall not be liable for the death or injury of a passenger not occurring on its own operated flights.

Rule 100 - Tickets

No person shall be entitled to transportation except upon proof of a valid paid reservation. Such proof shall entitle the passenger to transportation only between points of origin and destination and via the routing designated thereon.

Tickets purchased within 48 hours of travel may require the purchasing cardholder to present the purchasing credit card and government issued photo identification for verification at the airport during check-in. The purchaser may need to find alternate ticketing arrangements (i.e. travel agency) if unable to present such credit card at the departing airport at the time of check-in. (See Airport Check-In Time Limit in *Rule 135 - Cancellation of Reservations*.)

Abuse or Misuse of Tickets

Use of coupons from two or more tickets issued at round trip fares for the purpose of circumventing applicable tariff rules (such as advance purchase/minimum stay) is not permitted. Sun Country Airlines agents and authorized travel

agents are prohibited from issuing tickets, commonly referred to as “back to back ticketing,” under such circumstances when there is intent to abuse and/or misuse restricted round trip fares.

Agents found to have issued such tickets may be liable for the difference between the fare paid and the fare for transportation used. Sun Country Airlines reserves the right to deny transportation to passengers found to be utilizing tickets in such manner unless the difference between the fare paid and the fare for transportation used is paid by the passenger.

Non-Transferable Tickets

Sun Country tickets are not transferable. Sun Country shall not be liable to the person entitled to be transported or to the person entitled to a refund for honoring or refunding a ticket when presented by someone other than the person entitled to be transported thereunder or to a refund in connection therewith. If a ticket is in fact used by any person other than the person to whom it was issued, Sun Country Airlines shall not be liable for the destruction, damage or delay of such unauthorized person's baggage or other personal property or the death or injury of such unauthorized persons arising from or in connection with such unauthorized use.

Passenger Name on Ticket

The purchaser of a Sun Country Airlines ticket and the passenger intending to use such ticket are responsible for ensuring that the ticket accurately states the name of the passenger. Presentation of a ticket for transportation on Sun Country Airlines by someone other than the passenger named thereon renders the ticket void. Such ticket will be subject to confiscation and will be ineligible for any refund.

Rule 105 - Period of Validity

Except as provided below, an unused ticket will be valid for rebooking of transportation within one year from the date on which the ticket was purchased; additional fare and change fee may apply. Tickets may be changed provided the original reservation is canceled prior to the departure time designated on the original ticket. If the original reservation is not canceled before departure in accordance with *Rule 135 - Cancellation of Reservations*, the ticket can no longer be applied to a new reservation, all monies are forfeited, and no Flight Credit remains. For the rule applicable to No-Show Passengers, see *Rule 135 - Cancellation of Reservations - Failure to Occupy Space*.

Exception: For tickets issued for fares subject to group travel requirements and/or maximum stay requirements and/or fare rules that call for a shorter period of validity than one (1) year, the shorter period of validity applies to the excursion/special fare transportation only.

Extension of Validity

In accordance with Rule 240 and Rule 260 if the passenger is prevented from using the ticket or a portion of the ticket during the period of validity specified above or the period of validity applicable to an excursion or special fare due to lack of space or flight cancellation, the ticket will remain valid until space can be provided on a schedule comparable to that which the passenger had requested.

If the passenger is unable to commence or continue travel due to a personal illness, physical incapacity or the illness or physical incapacity of a member of the passenger's immediate family or of an associate with whom he/she is traveling, the carrier may extend the period of validity beyond the original limit not to exceed thirty (30) days. The illness or incapacity must be certified in writing by a physician specifying that the passenger is prevented from completing the journey before the expiration of the original time limit because of such circumstances. The certificate must be surrendered to the carrier and the ticket and all receipts affected must be endorsed by the agent to indicate that the extension has been granted.

Special Fare Provisions

The provisions below apply to fares that are subject to group travel requirements and/or reservations or ticketing time limitations and/or minimum or maximum stay requirements.

Period of Validity

When a ticket includes an excursion or special fare having a shorter period of validity than one (1) year, the shorter period of validity applies only to the excursion or special fare transportation.

Rule 115 - Confirmation of Reservations

A reservation for space on a given flight will be honored when the availability and allocation of such space is confirmed electronically for online bookings or by a reservation agent of Sun Country Airlines or its authorized representative. Subject to payment a validated ticket will be issued indicating such confirmed space. Such reservation is subject to cancellation by Sun Country Airlines without notice if the passenger has not obtained a validated ticket specifying his/her confirmed reserved space at least forty-five (45) minutes prior to the scheduled departure time of the flight to which his/her reservation applies.

Exception 1: If the passenger agrees to purchase a validated ticket specifying his/her confirmed reserved space at a time earlier than the time limit specified above, such earlier time limit will be entered into Sun Country Airlines' reservation system. The reservation is subject to cancellation by Sun Country Airlines without notice if the passenger has not obtained a validated ticket specifying confirmed space prior to the agreed time in advance of the scheduled departure of the flight on which passenger has a reservation.

Exception 2: Where other rules provide for issuance, validation or purchase of a ticket more than forty-five (45) minutes prior to scheduled departure time of the reserved flight the advance ticketing time limit specified in such other rule will apply.

Exception 3: Validated tickets shall not be honored if reservations are canceled pursuant to *Rule 135 - Cancellation of Reservations* or canceled by the passenger or his/her representative.

Because not all passengers holding confirmed reservations actually use those reservations, Sun Country Airlines flights are subject to overbooking which may result in Sun Country Airlines' inability to honor tickets for previously confirmed space on a given flight or for the class of service reserved. In such event, Sun Country Airlines' obligation to the passenger is governed by *Rule 245 - Denied Boarding Compensation*. The term "overbooking" as used in this rule means the acceptance of more confirmed reservations for a class of service on a given flight than the seating capacity of that class of service on the aircraft allows.

Rule 120 - Reservations and Ticketing Time Limits

Reservations requested from any Sun Country Airlines office or authorized agency will be accepted by Sun Country Airlines and ticketing time limits may apply.

Rule 135 - Cancellation of Reservations

Sun Country Airlines will cancel reservations of any passenger whenever such action is necessary to comply with any governmental regulation or order, or to comply with any governmental request for emergency transportation in connection with the national defense, or as necessitated by weather, pandemics, fuel availability, grounding of an aircraft type, or other conditions beyond Sun Country Airlines' control.

Failure to Occupy Space

If the passenger fails to occupy space which has been reserved for him/her on a Sun Country Airlines flight and Sun Country Airlines fails to receive notice of the cancellation of such reservation at least fifteen (15) minutes prior to the scheduled departure time of such flight, Sun Country Airlines will cancel all flight segments held by such passenger on the flights of Sun Country Airlines for continuing or return space or both. Advance notification of the intent to not occupy space on a flight that was reserved is a requirement to receive credit for another Sun Country Airlines flight under *Rule 270 - Voluntary Refunds*. If such notification is not received and the passenger is a No-Show Passenger as defined in *Rule 5- Definitions*, the passenger will receive an Involuntary Refund of the full amount paid inclusive of all taxes and fees; however, each such passenger will be assessed a no-show fee equal to an amount per passenger per direction (the amount of the fee is available on the Sun Country Airlines website at <https://www.suncountry.com/bags-optional-service> or by calling Sun Country at 651-905-2737), but not to exceed the value of the full amount paid. The no-show fee is not a payment for air transportation but is a separate charge and transaction under this contract; for the convenience of the parties, the no-show fee will be offset against the Involuntary Refund and any remaining amount will be issued to each passenger in the form of a Flight Credit. No-Show Passenger consents to Sun Country Airlines' claiming of any credit or refund of Section 4261 tax under section 6415 of the Internal Revenue Code. The Flight Credit will be available to the passenger by calling Sun Country Airlines reservations.

Airport Check-In Time Limit

All Sun Country ticket counter locations will be closed for check-in forty-five (45) minutes prior to the scheduled departure of each flight. It is the passenger's responsibility to arrive at the airport with proper identification in adequate time to allow for check-in requirements and security processing.

Sun Country Airlines recommends passengers arrive at the airport ticket counter ninety (90) minutes prior to scheduled departure at Minneapolis/St. Paul (Terminal 2) and one hundred twenty (120) minutes prior to scheduled departure at all other locations.

On the day of travel, all passengers must be checked in either at the airport ticket counter, kiosk, or through the Sun Country Airlines website (www.suncountry.com) and be available for passenger boarding at the departure gate at least thirty (30) minutes (domestic flights) or sixty (60) minutes (international flights) prior to scheduled departure. Failure to do so will subject the reservation(s) to cancellation or to classification of the passenger as a No-Show Passenger as set forth in this contract.

Passengers traveling with battery-powered wheelchairs or other battery-powered mobility devices must present themselves at the departure gate at least one (1) hour prior to scheduled departure.

Misconnected Passengers

See *Rule 240 - Flight Delays/Misconnections/Cancellations/Schedule Change* of this contract.

Sun Country Airlines is not liable when it cancels the reservations of any passenger in accordance with this rule but:

- If such reservations were canceled by Sun Country Airlines pursuant to the first sentence of Rule 135 or for other reasons not involving the passenger's fault or per "Misconnected Passengers" above, Sun Country Airlines will take action as provided in *Rule 240 - Flight Delays/Misconnections/Cancellations/Schedule Change* of this contract.
- If such reservations were canceled pursuant to "Failure to Occupy Space" above and the passenger is not a No-Show Passenger, Sun Country Airlines will issue a credit in accordance with *Rule 270 - Voluntary Refunds* of this contract.
- If such reservations were canceled pursuant to "Airport Check-In Time Limit" above, Sun Country Airlines will refund in accordance with *Rule 270 - Voluntary Refunds* of this contract.
- The remedies in the above three bullet points shall be the sole and exclusive remedies available to eligible passengers. Under no circumstances shall any passenger have a claim against Sun Country in law or equity for compensatory or punitive damages, irrespective of whether the passenger did or did not travel.

Sun Country Airlines will accept for transportation as baggage such personal property as is necessary or appropriate for the wear, use, comfort or convenience of the passenger for the purpose of the trip subject to the following conditions:

- All baggage is subject to inspection. Sun Country Airlines will refuse to transport or will remove at any point baggage that the passenger refuses to submit for inspection.
- Sun Country Airlines may refuse to transport baggage on any flight other than the one carrying the passenger.
- Sun Country Airlines will refuse to accept property for transportation which is not suitably packaged to withstand ordinary handling, or whose size, weight or character renders it unsuitable for transportation on the particular aircraft which is to transport it, or which cannot be accommodated without risk of harm to other property or annoyance to other passengers; provided, Sun Country may elect to accept such baggage if checked and transported at the passenger's own risk (See *Rule 195 - Conditions For Acceptance of Special Items*). - Beyond a point to which all applicable charges have been paid.
- More than four (4) hours prior to the passenger's scheduled flight departure.

If baggage is not tendered by a passenger at the airport check-in counter at least one hour in advance of scheduled departure time of the flight on which the passenger holds a reservation and otherwise sufficiently in advance of departure to assure loading of the baggage based on individual station procedures, the baggage will not be accepted.

The passenger's name should appear on the exterior and the interior of each piece of baggage. Sun Country Airlines will supply baggage identification labels free of charge.

Sun Country Airlines will check baggage upon presentation by the passenger of a valid ticket for transportation on Sun Country Airlines or on Sun Country Airlines and one or more other carriers with which Sun Country Airlines has a ticketing and baggage handling agreement, upon payment of applicable fee. Carry-On Baggage

When baggage is carried on board the aircraft it is subject to payment of such fees as may be applicable (see <https://www.suncountry.com>) and it must be retained in the passenger's custody and stored under the seat in front of the passenger or in an overhead compartment approved for the carriage of such baggage. Carry-on baggage is subject to the following additional conditions:

- Maximum of one (1) piece of carry-on baggage per fare-paying passenger, which may not exceed any of the following dimensions: 24" long x 16" wide x 11" high (including wheels, handles, and any other protruding items). The weight of a carry-on bag may not exceed 35 pounds. Carry-on baggage must fit easily within the Carry-on Sizer boxes conveniently located near Sun Country's check-in counters and gate areas.
 - In addition to the above, passengers may bring onboard one (1) smaller personal item that must fit under the seat in front of the passenger (i.e., purse, laptop computer, infant bag, etc.). The dimensions of this personal item may not exceed any of the following dimensions: 17" long x 13" wide x 9" high. Ordinarily no fee is charged for a personal item. However, any carry-on bag or personal item that exceeds the applicable above-stated limit will be carried only as checked baggage subject to payment of applicable checked baggage fees.
 - Sun Country Airlines assumes no responsibility or liability on domestic flights for baggage or other items carried into the passenger compartment of the aircraft. For international flights, Sun Country Airlines is liable for destruction or loss of, or damage to, baggage or other items carried into the passenger compartment of the aircraft only to the extent the damage resulted from the fault of Sun Country Airlines.
 - Operational or safety considerations may require limitations to the allowable carry-on baggage on a specific flight which would otherwise be suitable under this rule. Sun Country Airlines reserves the right to determine the suitability or acceptability of any item to be carried in the cabin of the aircraft, whether due to operational or safety considerations or otherwise.
 - Should the volume of carry-on baggage exceed the stowage capability of the aircraft, items of carry-on baggage selected by Sun Country will be tagged as checked baggage and placed in the aircraft's cargo compartment.
 - Regarding carry-on of musical instruments, see *Rule 195 - Conditions for Acceptance of Special Items -Musical Instruments/Equipment* above.
-

Rule 215 – Cabin-Seat Baggage

When a fare-paying passenger requests that an item be carried in the cabin and it is determined by Sun Country Airlines that the item is acceptable as cabin baggage but is so fragile and/or bulky as to require the use of a seat (such as a large musical instrument), the item will be accepted subject to the following conditions and charges:

- A seat for the cabin-seat baggage must be reserved in advance and applicable charges paid. The seat used for the item of cabin-seat baggage must be located where a full bulkhead or divider is directly in front of it and forward of all passengers in that portion of the aircraft's cabin.
- Sun Country Airlines will charge 100% of the applicable adult fare, for that portion of the trip on which the extra seat is used. The cabin-seat baggage will not be included in determining the free baggage allowance or excess baggage charges.
- The item must be carried aboard the aircraft by the passenger.
- The item must be properly secured by an aircraft seat safety belt and any additional tiedown(s) having enough strength and security to eliminate the possibility of the item shifting under all normally anticipated flight and ground conditions, with the additional tiedown(s) provided and installed by the passenger under the supervision of Sun Country Airlines personnel.
- If the item cannot be properly stowed, it must be removed from the cabin and transported as checked baggage subject to availability of space and payment of applicable fees, or other arrangements for transportation of the item must be made by the passenger.
- The item must be properly encased, packaged or covered so that it cannot injure anyone.
- The item must not exceed a weight of 100 pounds (except that a musical instrument may weigh up to 165 pounds).
- The item must not block access to the aisle or access to or use of any required emergency or regular exit, or of the aisle itself. • The item must not block any passenger's view of no-smoking, fasten seat belt or exit signs.

Rule 220 - Baggage Allowance and Fees

Each fare-paying passenger is allowed to bring on board and/or check baggage as described in *Rule 205 - Checked and Carry-On Baggage*. Baggage exceeding two checked pieces, one carry-on bag and one personal item per passenger is considered excess baggage subject to Rule 225 below. All transportation of baggage except (a) personal items described in Rule 205, and (b) items described under the *Articles Carried Free In Addition to Baggage Allowance* heading of this Rule 220, is subject to applicable fees as established and/or revised by Sun Country from time to time. Fees charged by Sun Country for transportation of baggage may be found at <https://www.suncountry.com>.

Exceptions: Passengers holding full-fare first class tickets are allowed two (2) pieces of checked baggage, one carry-on bag and one personal item free of charge. However passengers who purchase discounted or promotional upgrades from coach class to first class are allowed one (1) piece of checked baggage, one carry-on bag and one personal item free of charge. Passengers utilizing the Sun Country Airlines Visa Signature Card to purchase Sun Country tickets, or who purchase a flight-and-hotel package from Sun Country Vacations, may be entitled to reduced baggage fees; see www.suncountry.com.

Baggage exceeding any of the above allowances, oversized bags and overweight bags are subject to fees in accordance with *Rule 225 - Excess Baggage*.

Passenger Reroute

Passengers rerouted in accordance with *Rule 240 - Flight Delays/Misconnections/Cancellations/Schedule Change*, will be entitled to the baggage allowance applicable to the trip as originally purchased regardless of whether passengers are transferred to a different class of service and whether or not they are entitled to a fare refund.

Articles Carried Free In Addition to Baggage Allowance

In addition to the baggage allowance specified in *Rule 205 - Checked and Carry-On Baggage*, each fare-paying passenger may bring without additional charge the following:

- child restraint system used in flight provided child is a fare-paying passenger. If child is not fare-paying (i.e., if child is traveling as a lap child) the restraint system is required to be checked as baggage for which a fee will apply as set forth above. Sun Country Airlines is not liable for any damage that occurs to infant/child car seats or strollers that are not properly packaged in a box or other durable enclosure and checked as baggage by the passenger at the ticket counter.
- outerwear (i.e., coat, hat)
- mobility devices, crutches, canes, braces or other assistive devices of qualified passengers with disabilities. These items generally must be stowed under a series of connected seats or between two window seats and the fuselage (except emergency window exits) provided they are flat on the floor and do not protrude into the aisle.

Rule 225 - Excess Baggage

Baggage in excess of the maximum allowance specified in *Rule 220 - Baggage Allowance and Fees*, will be accepted for transportation only under the conditions and upon payment of excess baggage charges specified on Sun Country's website at <https://www.suncountry.com>.

Excess baggage charges will apply from the point at which baggage is accepted for transportation to the point to which the baggage is checked.

Applicable Charges

Where the provisions of *Rule 220 - Baggage Allowance and Fees*, indicate a maximum acceptable number of pieces of baggage that will be carried per passenger, the piece(s) in excess of that maximum will be subject to the charges prescribed on Sun Country's website. One charge will be collected per piece at the highest applicable fee; fees apply on a one-way basis.

Excess Baggage Charges

Passengers checking excess baggage will be charged the applicable fees.

Interline Travel

Excess baggage transferring to other airlines may be subject to the receiving airline's charges for such baggage, in addition to charges assessed by Sun Country Airlines.

Oversized/Overweight Baggage

If a single piece of baggage exceeds 62 linear inches (length + width + height, including wheels, handles and any other protruding items) and/or weighs more than 50 pounds, there will be an excess baggage charge for that piece. Excess baggage charges will be established and/or revised by Sun Country from time to time and may be viewed at <https://www.suncountry.com>. Sun Country will not accept baggage that weighs more than 100 pounds or exceeds 80 linear inches, except that Sun Country will accept large musical instruments as checked baggage as set forth in *Rule 195 - Conditions for Acceptance of Special Items -Musical Instruments/Equipment* above.

Interline Travel

Oversize/overweight baggage transferring to other airlines may be subject to the receiving airline's charges for such baggage, in addition to charges assessed by Sun Country Airlines.

Rule 230 - Baggage Liability Limitations

On U.S. domestic flights (which includes flights between the 48 contiguous states and overseas U.S. states and territories), no legal action may be brought against Sun Country Airlines for any loss of, damage to or delay in the delivery of baggage or other property unless:

- The passenger provides preliminary notice to Sun Country Airlines of the loss, delay or damage before leaving the airport terminal, unless the passenger can show good cause for failure to give such notice.
- Written notice of the claim is given to Sun Country Airlines at any of its offices within forty-five (45) days after the alleged occurrence of the events giving rise to the claim, unless the passenger can show good cause for failure to give such notice in a timely manner.
- Such action against Sun Country Airlines or any of its officers, agents, or employees is commenced within one (1) year after the occurrence of the events giving rise to the claim.

In delivering baggage or other property to Sun Country Airlines for transportation, whether checked or otherwise placed into the custody of Sun Country Airlines or one of its employees, the fare-paying passenger agrees that Sun Country Airlines' liability, if any, should the baggage be lost, damaged or delayed in delivery is limited to the lesser of the amount of provable direct and consequential damages actually sustained by the passenger or \$3,500.00 for domestic flights. In the case of such flights, the damage sustained by the passenger for property that is lost shall be measured by the fair market value of the property at the time it was received by Sun Country Airlines and not by the cost to replace the property. These limitations on Sun Country Airlines' liability also apply to baggage or other personal property in Sun Country Airlines' possession at a city or airport office or elsewhere before or after the passenger's flight.

Interline Travel

For U.S. domestic interline travel when the airlines involved have different limitations of liability, and responsibility for loss, damage or delay in delivery of baggage cannot be determined, the \$3,500 limit of liability will apply when the claim is filed with Sun Country Airlines.

International Liability

For international flights, including the domestic portions of international journeys, subject to the Warsaw Convention, the liability for delayed, damaged or loss is approximately \$9.07 per pound (\$20.00 per kg) for checked baggage and approximately \$400 per passenger for unchecked baggage. Where the Montreal Convention applies, liability for delay, damage or loss to checked and unchecked baggage is limited to 1,131 Special Drawing Rights per passenger (approximately \$1,600.00 as of June 2019; see http://www.imf.org/external/np/fin/data/param_rms_mth.aspx for additional information on Special Drawing Rights). No legal action may be brought against Sun Country Airlines for any loss of, damage to or delay in the delivery of baggage or other property unless:

- Sun Country Airlines admits the loss of the checked baggage or the checked baggage has not arrived at the expiration of twenty-one (21) days after the date on which it ought to have arrived.
- Written notice of the claim is given to Sun Country Airlines at any of its offices within seven (7) days from the date of receipt in the case of damage to checked baggage and in the case of delay, within twenty-one (21) days from the date on which the baggage has been placed at the passenger's disposal.
- Such action is brought within a period of two (2) years, reckoned from the date of arrival at the destination, or from the date on which the aircraft ought to have arrived, or from the date the carriage stopped.

Declaration of Higher Value

Passengers desiring baggage valuation coverage in excess of Sun Country Airlines' above-stated liability limits will be referred to private insurance representatives.

Exclusions from Liability

When Sun Country Airlines has exercised ordinary care, Sun Country Airlines shall not be liable for delay in delivery of any perishables nor for damage to or damage caused by fragile articles, liquids or perishables which are unsuitably packed and which are included in a passenger's checked baggage with or without the carrier's knowledge. Sun Country Airlines shall not be liable for the damage or delay in delivery of a passenger's checked baggage and property accepted pursuant to the execution of a release as referenced in *Rule 195 - Conditions For Acceptance of Special Items* ("Limited Release") to the extent that such release relieves Sun Country Airlines of liability.

Sun Country Airlines assumes no liability for damage defined as normal wear and tear, including minor cuts, tears, dents, scrapes and soiling.

Sun Country Airlines is not liable for any damage that occurs to infant/child car seats or strollers that are not properly packaged in a box or other durable enclosure when checked as baggage by the passenger at the ticket counter.

Sun Country Airlines assumes no liability for loss of, damage to, theft of or delay in delivery of high value, fragile or perishable items including but not limited to the following (except to the extent required by 14 CFR Part 382):

- | | | |
|---|--|--|
| <ul style="list-style-type: none"> • money • jewelry • photographs • passports • eyeglasses • credit cards • drivers licenses • souvenirs • car/house keys • manuscripts • contact lenses and accessories • recreational equipment • important | <ul style="list-style-type: none"> papers/documents • travel documents • precision items • musical Instruments • medications • Hardware electronic/mechanical equipment including but not limited to: <ul style="list-style-type: none"> • radios • recorders • phones • Compact Discs/Digital Videos Disc/cassette tapes | <ul style="list-style-type: none"> • computers • portable electronic devices (e.g., DVD/MP3/CD/Video Game players, personal digital assistance (PDAs), etc.) • camera/video equipment • or other similar items contained therein or any items the passenger could not be without in checked baggage. |
|---|--|--|

Notwithstanding anything to the contrary in this Rule 230, for international flights, Sun Country Airlines is not liable if and to the extent that damage resulted from an inherent defect, quality, or vice of the baggage. In the case of unchecked baggage, including personal items, Sun Country is liable only if the damage resulted from Sun Country's fault.

Rule 240 - Flight Delays/Misconnections/Cancellations/Schedule Change

Delay, Misconnection or Cancellation

Sun Country will have no liability for delays, misconnections, or cancellations. Without limiting the foregoing,

- If Sun Country is unable to provide air transportation acceptable to the passenger subject to a Significant Delay, Sun Country will refund the value of the unused air transportation in accordance with *Rule 260 - Refunds Resulting from Inability to Accommodate or Refusal to Carry Passenger*, which will be the limit of its liability.

- If the passenger is holding a confirmed seat on a higher class ticket and space is only available on a lower class of seating, Sun Country will refund the difference in fares pursuant to *Rule 260 - Refunds Resulting from Inability to Accommodate or Refusal to Carry Passenger*.
- In no event will Sun Country reimburse a passenger for travel purchased from another carrier.

Schedule Change

Sun Country may, without liability and without notice, change the time of the schedule of any flight, substitute aircraft, add or omit scheduled stops. With or without such changes, Sun Country does not guarantee that passengers will make connections to other flights operated by it or another carrier. If Sun Country is unable to provide air transportation acceptable to the passenger subject to a Significant Schedule Change, Sun Country will refund the value of the unused air transportation in accordance with *Rule 260 - Refunds Resulting from Inability to Accommodate or Refusal to Carry Passenger*, which will be the limit of its liability.

Amenities

When a fare-paying passenger holds confirmed reservations on a Sun Country Airlines flight, Sun Country Airlines may assume limited expenses incurred as a result of a mechanical delay exceeding four (4) hours for domestic flights or eight (8) hours for international flights. Sun Country Airlines will advise the passenger of the available amenities and services. Sun Country Airlines may provide special amenities and services which, in Sun Country Airlines' judgment, are required by certain passengers such as passengers with disabilities, or ill and/or incapacitated passengers for the safety, health and welfare of such passengers.

Carriers in Default

Sun Country Airlines will not accept for any purposes under this Contract of Carriage passenger tickets or related transportation documents issued by any carrier which is in substantial default of its interline obligations or which voluntarily or involuntarily has become the subject of bankruptcy proceedings (the "defaulting carrier").

Exception: Tickets issued by the defaulting carrier or its sales agent prior to the default will be accepted solely for transportation on Sun Country Airlines provided such tickets were issued by such defaulting carrier in its capacity as agent for Sun Country Airlines and specified transportation via Sun Country Airlines. When such tickets are accepted, no adjustments in fare will be made which would require Sun Country Airlines to refund money to the passenger.

Strike/Work Stoppage

In the event of a work stoppage which causes any cancellation or suspension of operations of any carrier other than Sun Country, the provisions of this rule will not apply with respect to passengers holding tickets for transportation on that carrier.

Rule 245 - Denied Boarding Compensation

If you have been denied a reserved seat on Sun Country Airlines, you are probably entitled to monetary compensation. This notice explains Sun Country's obligations and the passenger's rights in the case of an oversold flight, in accordance with regulations of the U.S. Department of Transportation.

Volunteers and Boarding Priorities

If a flight is oversold (more passengers hold confirmed reservations than there are seats available), no one may be denied boarding against his or her will until Sun Country Airlines personnel first ask for volunteers who will give up their reservation willingly, in exchange for compensation of Sun Country Airlines' choosing. If there are not enough volunteers, other passengers may be denied boarding involuntarily in accordance with the boarding priorities of Sun Country Airlines. In such event, Sun Country Airlines will usually deny boarding based upon check-in time (i.e., the last passenger to check in would be the first to be denied boarding), but Sun Country may also consider factors such as

severe hardships, fare paid, and status within the Ufly® Rewards program. Reasonable efforts will be made to accommodate individuals with a disability or needing assistance, the elderly, connecting passengers, families traveling with children, and passengers less than eighteen (18) years of age.

Compensation for Involuntary Denied Boarding

If you are denied boarding involuntarily, you are entitled to a payment of “denied boarding compensation” from Sun Country Airlines unless:

- (1) you have not fully complied with Sun Country Airlines’ ticketing, check-in and reconfirmation requirements, or you are not acceptable for transportation under Sun Country Airlines’ usual rules and practices; or
- (2) you are denied boarding because the flight is canceled; or
- (3) you are denied boarding because a smaller capacity aircraft was substituted for safety or operational reasons; or
- (4) on a flight operated with an aircraft having 60 or fewer seats, you are denied boarding due to safety-related weight/balance restrictions that limit payload; or
- (5) you are offered accommodations in a section of the aircraft other than specified in your ticket, at no extra charge (a passenger seated in a section for which a lower fare is charged will be given an appropriate refund); or
- (6) Sun Country Airlines is able to place you on another flight or flights that are planned to reach your next stopover or final destination within one hour of the planned arrival time of your original flight.

Amount of Denied Boarding Compensation

Domestic Transportation

Passengers traveling between points within the United States (including its territories and possessions) that are denied boarding involuntarily from an oversold flight are entitled to:

- (1) No compensation if Sun Country Airlines offers alternate transportation that is planned to arrive at the passenger’s destination or first stopover not later than one hour after the planned arrival time of the passenger’s original flight;
- (2) 200% of the fare to the passenger’s destination or first stopover, with a maximum of \$675, if Sun Country Airlines offers alternate transportation that is planned to arrive at the passenger’s destination or first stopover more than one hour but less than two hours after the planned arrival time of the passenger’s original flight; and
- (3) 400% of the fare to the passenger’s destination or first stopover, with a maximum of \$1,350, if Sun Country Airlines does not offer alternate transportation that is planned to arrive at the airport of the passenger’s destination or first stopover less than two hours after the planned arrival time of the passenger’s original flight.

0 to 1 hour arrival delay -	No compensation
1 to 2 hour arrival delay -	200% of one-way fare (but no more than \$675)
Over 2 hours arrival delay -	400% of one-way fare (but no more than \$1,350)

International Transportation

Passengers traveling from the United States to a foreign point who are denied boarding involuntarily from an oversold flight originating at a U.S. airport are entitled to:

- (1) No compensation if Sun Country Airlines offers alternate transportation that is planned to arrive at the passenger’s destination or first stopover not later than one hour after the planned arrival time of the passenger’s original flight;
- (2) 200% of the fare to the passenger’s destination or first stopover, with a maximum of \$675, if Sun Country Airlines offers alternate transportation that is planned to arrive at the passenger’s destination or first

stopover more than one hour but less than four hours after the planned arrival time of the passenger's original flight; and

- (3) 400% of the fare to the passenger's destination or first stopover, with a maximum of \$1,350, if Sun Country Airlines does not offer alternate transportation that is planned to arrive at the airport of the passenger's destination or first stopover less than four hours after the planned arrival time of the passenger's original flight.

0 to 1 hour arrival delay -	No compensation
1 to 4 hour arrival delay -	200% of one-way fare (but no more than \$675)
Over 4 hours arrival delay -	400% of one-way fare (but no more than \$1,350)

Alternate Transportation

"Alternate transportation" is air transportation with a confirmed reservation at no additional charge (by any scheduled airline licensed by DOT), or other transportation accepted and used by the passenger in the case of denied boarding.

Method of Payment of Compensation

Except as provided below, Sun Country Airlines will give each passenger who qualifies for involuntary denied boarding compensation a payment by cash or check for the amount specified above, on the day and at the place the involuntary denied boarding occurs. If Sun Country Airlines arranges alternate transportation for the passenger's convenience that departs before the payment can be made, the payment shall be sent to the passenger within 24 hours. Sun Country Airlines may offer free or discounted transportation in place of the cash payment. In that event, Sun Country Airlines will disclose all material restrictions on the use of the free or discounted transportation before the passenger decides whether to accept the transportation in lieu of a cash or check payment. The passenger may insist on the cash/check payment or refuse all compensation and bring private legal action.

Acceptance of denied boarding compensation relieves Sun Country Airlines from any further liability to the passenger caused by its failure to honor the confirmed reservation.

Rule 255 - Rerouting

Sun Country Airlines will attempt to reroute a passenger at the passenger's request and upon presentation of the unused ticket or portion thereof then held by the passenger.

Exception: The above provision shall apply to reissue/reroute by Sun Country Airlines only on Sun Country Airlines' flights.

Fare Applicable to Rerouting or Change in Destination

The passenger may change the routing and/or the ultimate destination designated on the ticket in accordance with the following paragraph provided that after transportation has commenced a one-way ticket will not be converted into a round-trip or open-jaw trip ticket.

Except as otherwise provided in *Rule 240 - Flight Delays/Misconnections/Cancellations/Schedule Change*, the fares and charges applicable when a rerouting or change in ultimate destination is made at passenger's request at an office of Sun Country Airlines prior to arrival at the ultimate destination named on the original ticket shall be the applicable fare and charges for the entire revised itinerary in effect on the date that the rerouting or change in ultimate destination is entered on the passenger's new ticket.

Fare Applicable to Upgrading Class of Service While in Flight

Sun Country does not permit inflight class-of-service upgrades.

Rule 260 - Refunds Resulting from Inability to Accommodate or Refusal to Carry Passenger

Except for No-Show Passengers (to whom *Rule 135 - Cancellation of Reservations - Failure to Occupy Space* applies), the amount Sun Country Airlines will refund upon surrender of an unused ticket or portion thereof pursuant to *Rule 35 - Refusals to Transport*, *Rule 50 - Acceptance of Children*, or *Rule 240 - Flight Delays/Misconnections/Cancellations/Schedule Change*, will be:

If no portion of the ticket has been used:

- an amount equal to the total fare and charges paid.

Exception: Sun Country Airlines shall not be obligated to refund any portion of an unused ticket which does not reflect a confirmed reservation on a Sun Country Airlines flight unless such ticket was issued by Sun Country Airlines.

If a portion of the ticket has been used:

If one-way type fare was purchased and...

- Travel was terminated at the origin point, the fare paid for the unused segment(s).
- Travel was terminated at an intermediate or stopover point, a refund from the point of termination to the destination named on the ticket or to the point at which transportation is to resume, at the lowest one-way fare for the class of service (first, business or coach) paid for minus any discount that was applied in calculating the original fare.

If round trip or excursion type fare was purchased:

- Round-trip or open-jaw - 50% of the round-trip or excursion fare, from the point of termination to the destination/ stopover point named on the ticket or to the point at which transportation is to resume, for the class of service and booking class paid for.

If no fare of the type (fare basis) paid by the passenger is published between the point of termination and the destination or point at which transportation is to resume:

- amount will be calculated as the same proportion of the normal coach fare published between the point of termination and the destination named on the ticket or to the point at which transportation is to resume, as the fare paid is of the normal coach fare between the passenger's origin and destination points.

Substitution of Aircraft

When for operational reasons a passenger holding a higher class-of-service ticket with confirmed reservations is accommodated on an aircraft without that higher class seating, Sun Country Airlines will refund the difference.

Method of Refunding Payments

Sun Country will make eligible refunds upon request according to the original form of payment or, if permitted by applicable law or regulation, in the form of a Flight Credit. If the refund is in the original form of payment, refunds for fares purchased with a debit or credit card will be processed for crediting to the same card account no later than seven (7) business days after the date full documentation of the refund request is received by SCA. Refunds for fares purchased with cash or by check will be issued by check no later than twenty (20) business days after the date full documentation of the refund request is received by SCA; provided, with regard to fares purchased by check, that in cases where SCA has reasonable cause to suspect fraud, SCA may delay making an otherwise eligible refund until such time as the check by which the fare was purchased has cleared the financial institution on which it was drawn and SCA has received payment from such institution. When a refund is discretionary, the above time frames commence as of the date SCA has determined a full or partial refund will be provided.

Rule 270 - Voluntary Refunds

When *Rule 35 - Refusals to Transport*, *Rule 135 - Cancellation of Reservations - Failure to Occupy Space*, *Rule 240 - Flight Delays/Misconnections/Cancellations/Schedule Change*, and *Rule 260 - Refunds Resulting from Inability to Accommodate or Refusal to Carry Passenger* are not applicable, a passenger is otherwise eligible for a voluntary refund, and a passenger requests that a ticket issued by Sun Country Airlines or a ticket indicating Sun Country Airlines in the itinerary be refunded, upon surrender of the unused portion(s) of the ticket, Sun Country Airlines will issue to the passenger a Flight Credit to be used as full or partial payment for that customer on another Sun Country Airlines flight or flights operating within a period of 365 days from the original date of purchase on the following basis and subject to the following limitations:

- If no portion of the ticket has been used, the Flight Credit will be an amount equal to the fare and charges applicable to the ticket issued to the passenger. If a portion of the ticket has been used, the Flight Credit will be an amount equal to the difference between the fare and charges applicable to the ticket issued to the passenger and the fare and charges applicable to the transportation of the passenger covered by the used portion of the ticket.
- No refund will be given for tickets issued for “non-refundable” type fares or tickets wholly or partially comprised of round trip non-refundable fares. On tickets issued at a combination of non-refundable/refundable one-way fares, non-refundability will apply only to the portion that is non-refundable.
- Sun Country Airlines assumes no obligation to issue a voluntary refund unless such ticket was issued on Sun Country Airlines.

Exception: If a passenger cancels an entire itinerary within 24 hours after booking the itinerary, and provided the scheduled time of departure of the initial flight in the itinerary was at least one week (168 hours) away at the time the booking was made, a full refund will be issued. See “Method of Refunding Payments” above for additional information.

Rule 275 - Foreign Currency Refund

Sun Country Airlines reserves the right to refuse to make any refund in a currency other than that used in the purchase of the ticket to be refunded or at a place other than that at which payment for such ticket was made.

Rule 385 - Passenger Facility Charges

At airports where Passenger Facility Charges (PFCs) are applicable, Sun Country Airlines will not absorb them but will incorporate PFCs into the total purchase price of the ticket.

Rule 392 - Returned Check Charge

A non-refundable handling charge of \$30.00 will be collected for each returned check.
