Cardrona is home to an extensive network of world-class terrain parks, so make the most of your time by getting in there and developing your skills.

As a critical part of the SBINZ Level 2 and Level 3 exam, the intensive week is highly recommended for snowboard exam candidates.

The Intensive week runs in the gap between the Level 1 exam and the start of Level 2 training, and is available for both ski and snowboard disciplines.

The add-on half days are Wednesdays during the standard training weeks, and are available for both ski and snowboard disciplines.

What to expect

USEFUL INFO

- Training for all courses (except the June Level 1 Ski) is Monday Tuesday Thursday Friday. Rest day on Wednesday to join Freestyle course, shadow instructors, self train or explore local area.
- Training on snow is 5 hours per day.
- Training is at both Cardrona and Treble Cone. Decisions on where to be will be made by trainers to make the most of the best conditions and most appropriate terrain
- Equipment is key, don't rush out to buy something, you can always rent for the first few days and take advantage of your trainers expertise and the discounts offered around town in Wanaka
- Orientation day before the course starts is an opportunity to meet the trainers, collect season passes and ask any questions you have prior to having an epic first day on snow
