CARDRONA TREBLE CONE ITC

Welcome to ITC Cardrona x Treble Cone

MAKE TRAINING WITH ITC YOUR NEXT MOVE

Whether it's "Short & Sweet" or you go "Full Send," selecting ITC for your training is a significant decision. We've put together some information to help you make the right choice for you.

This info pack offers more detail on our early bird prices for the main ski and snowboard courses for 2027.

Keep an eye out for later releases of more courses as well as add ons for accommodation, season passes and transport in the coming months!

Internship Possibilities

There's no better way to develop as an instructor than hands-on experience! You'll learn, qualify, teach, and progress all in one season—setting yourself up for future instructing opportunities anywhere in the world.

FULL SEND SEASON LONG SKI COURSE

Kick off your winter early with our **June-start Level 1 & 2** Instructor Courses + Teaching Internship.

After passing your Level 1, you'll put your new skills straight to work as a part-time instructor for the Snow Sports School during the peak holiday period—gaining valuable real-world teaching experience before beginning your Level 2 training.

*Interview with Cardrona Treble Cone Snow Sports School Manager required

What to expect

USEFUL INFO

- Training for all courses (except the June Level 1 Ski) is Monday Tuesday Thursday Friday with a rest day on Wednesday to join a Freestyle course, shadow instructors, self train or explore local area.
- Training on snow is 5 hours per day.
- Training will be at Cardrona for all Level 1 courses and a mix of Cardrona and Treble Cone for Level 2 and 3. Decisions on where to be will be made by trainers to make the most of the best conditions and most appropriate terrain
- Equipment is key, don't rush out to buy something, you can always rent for the first few days and take advantage of your trainers expertise and the discounts offered around town in Wanaka
- The Welcome Session on the day prior to your course start will give you a deeper understanding of the course outline and is an opportunity to meet the trainers, collect season passes and ask any questions you have prior to having an epic first day on snow!
