**Re: Letter of Support, Put Us On the Map Challenge**

Dear Ms. Paster,

On behalf of [name of organization offering support], please accept this letter of support for [name of individual or organization submitting an application] in their application to the City Health Dashboard's **Put Us On the Map Challenge**. We understand that [name] is requesting to have [City Name, State] added to the City Health Dashboard in an effort to expand health data access to smaller cities and towns.

[*Optional*: short paragraph describing any existing or planned partnerships between submitting individual/organization and local government in the requested city/town. The goal is to show that there is capacity, interest and support to use data to create change locally.]

We look forward to this new access to data and resources for our city, on behalf of all of our residents. If you require additional information, please contact us at [email, phone].

Sincerely,
