Cartus Connect

Turnkey, White-glove, Lifetime Move & Home Management Service
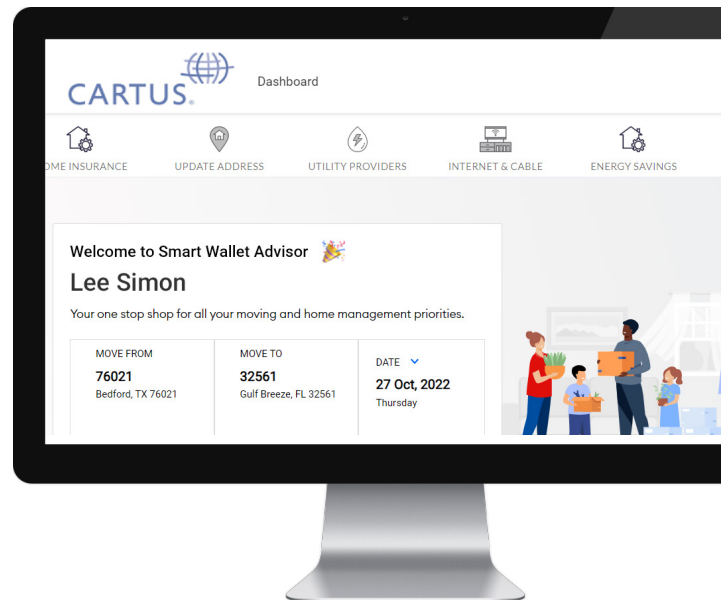

CARTUS

Introducing Cartus Connect—Powered by move easy

Cartus Connect is a full-service, turnkey solution that combines a comprehensive move and home management service with Cartus in-house services and partners to create a high-end experience, for U.S. domestic transferees and international transferees relocating to the U.S. *For life.*

Your eligible employees keep track of their move with Cartus Connect's week-by-week interactive moving checklist. They can even access the service on their Amazon Echo or Google Home device. Let the virtual assistant take care of it all!

If your employees prefer to talk to a live human, Cartus Connect comes with a dedicated advisor that can help with their move and home management. The best part:

Cartus Connect is theirs to keep for life.
