Guideline 401(k)

401(k) Retirement Benefits

Square Payroll partnered with Guideline to offer a modern, affordable retirement plan for small businesses.

Why Guideline?

- ✓ Affordable, transparent pricing
- ✓ Intelligent investment options with Vanguard
- ✓ Automatically integrates with Square Payroll
- ✓ Lowest employee investment fees in industry*

How it works:

- 1 Create a Square Payroll account and add your employees
- 2 Enroll online through the dashboard and choose whether to contribute to employees' plans
- 3 Your employees will be invited to enroll within their Square Payroll account
- 4 Contributions and deductions are automated with each pay run
- 5 Guideline makes it easy by handling all the 401(k) administration and compliance
