

401(k) Retirement Benefits

Square Payroll partnered with Guideline to offer a modern, affordable retirement plan for small businesses.

Why Guideline?

- Affordable, transparent pricing
- Intelligent investment options with Vanguard
- Automatic integration with Square Payroll
- Lowest employee investment fees in industry*

How it works:

- 1 Create a Square Payroll account and add your employees.
- 2 Enroll online through the dashboard and choose to contribute to employees' plans.
- 3 Your employees will be invited to enroll within their Square Payroll account.
- 4 Contributions and deductions are automated with each pay run.
- 5 Guideline makes it easy by handling plan administration and compliance testing.

Guideline Pricing:

A full-service 401(k) that's easy to manage and seamlessly syncs with popular payroll providers.

- ✓ Fully-integrated 401(K) account
- ✓ Compliance testing and Safe Harbor plans
- ✓ No portfolio fees for employees
