

Torba Farmers Market Returns

Qatar Foundation (QF) is gearing up to welcome the community to the next edition of its popular Torba Farmers Market, which will run from November 16 until December 22.

The market, which will be held at Ceremonial Court in Education City, promises to bring the best in sustainable, organically-grown produce and locally-prepared food and beverages to the public.

The QF initiative, which is held in collaboration with the Ministry of Municipality and Environment, has become a permanent fixture on the calendars of people eager to promote local farmers and vendors. It reflects QF's commitment to encouraging people to live healthy and sustainable lives.
