

Qatar Foundation: Pre-University Education

- QF's unique education cycle begins with **Pre-University Education (PUE)**.
- **PUE has created schools and devised curricula that:**
 - **Support and embrace diversity**, meeting the needs of Qatar's multicultural community.
 - Deliver learning experiences that meet the **highest global standards**, and are **rooted in Qatari culture and values**.
 - Provide **personalized educational opportunities**.
 - Equip young people with the **knowledge, confidence, and skills** to excel – academically, and personally.

PUE comprises:

- Five Qatar Academy schools:
 - **Qatar Academy Doha (QAD)** – QF's first school, established in 1996
 - **Qatar Academy Al Khor (QAK)**
 - **Qatar Academy Al Wakra (QAW)**
 - **Qatar Academy Sidra (QAS) Qatar**
 - **Academy Msheireb (QAM)**
- **Qatar Academy for Science and Technology (QAST)**: an advanced academic program for Science, Technology, Engineering, and Math (STEM) subjects.
- **Qatar Leadership Academy (QLA)**: a boarding school promoting personal growth among young male students through academics, military discipline, leadership skills, and athletics.
- **Awsaj Academy**: a K-12 specialized school for students with mild-to-moderate learning challenges.

- **Renad Academy:** an educational facility dedicated to supporting children with Autism.
- **Academyati:** a dual-language innovative school that attends to students' holistic development through individualized education and experiential learning.
- **Tariq Bin Ziad School:** a historic school now under the umbrella of QF's PUE, offering bilingual education that blends elements of Qatari and Arabic cultural heritage.
- **Academic Bridge Program (ABP):** a general studies program that ensures high students make a successful transition to university.
- **Education Development Institute (EDI):** a center of excellence in professional learning by supporting the growth and development of the K-12 education community in Qatar and globally.

PUE has:
