

Dear valued client,

Thank you for your interest in our Ocean Wise recommended product. We are a proud partner of the [Ocean Wise Seafood program](#) and are committed to protecting our oceans, lakes, and rivers for generations to come by offering sustainable seafood options.

The Ocean Wise Seafood (OWS) program works with restaurants, retailers, suppliers, and producers to provide the most recent scientific information on fisheries and aquaculture operations so businesses and consumers can make sustainable purchasing and sourcing decisions. With over 785 partners in more than 3,100 locations globally, OWS makes it easy to choose sustainable seafood. The Ocean Wise symbol next to a seafood item is a well-recognized and trusted assurance of an ocean-friendly seafood choice.

By choosing our Ocean Wise recommended product, you are eligible to join the Ocean Wise Seafood program. Only Ocean Wise Seafood partners can promote their items as Ocean Wise recommended. Ocean Wise copyrighted branding can only be used for products in which sourcing has been confirmed by Ocean Wise Seafood staff.
