We recommend your participants to bring:

- ☐ Change of clothes (if needed)
- ☐ Reusable water bottle
- ☐ Sunblock and hats to protect from sun damage
- ☐ Sturdy shoes or boots (no sandals or other open-toed shoes)
- ☐ Additional garbage/recycling bags and gloves

Tips on where to find your required supplies:

- ✓ Find them around your home OR pick them up from a local store
- ✓ Ask your participants to bring a few of each item. If every participant brought a handful of garbage bags, or a few buckets then you would have more than enough for your group
- ✓ Check with your municipality about supplies they could provide while discussing waste removal
- ✓ Seek donations from your local community centres
