

WARRANTY DECLARATION

We, Amorim Cork Insulation SA, are part of Corticeira Amorim SGPS, located in Portugal – world leader of Expanded Insulation Corkboard.

For our Cork reference MDFaçade used for specific application on external wall at sight, we assume warranty of 10 years life time in the building.

This warranty is valid only for the product MDFaçade, means not for the other used materials in the constructive system (such as in the support, adhesives, fixations etc) during that period.

Special MDFaçade is an 100% natural product with a natural behavior (his color will change naturally and continuously over life time while the material ages naturally).
