### Declaration

This Permit is only valid once Section 2 has been completed and signed by Edinburgh Airport Safeguarding. The applicant must comply with the necessary operating requirements stipulated in Section 2. Failure to do so may result in the immediate withdrawal of your permit.

It is a criminal offence under the Air Navigation Order 2016 to endanger the safety of an aircraft. Noncompliance with air safety regulations can result in legal action. In the event of any changes to the operation details provided, the Safeguarding team must be notified immediately.

Any questions regarding the operation of Cranes in the vicinity of Edinburgh Airport, or with the completion of this form should be addressed to [safeguarding@edinburghairport.com](mailto:safeguarding@edinburghairport.com).
