There are two things we're obsessed with – pizza and wine.

When our founder Peter Boizot settled in Rome in 1960, he fell in love with the food and the drink. He recognised that a pizza is a wonderful thing, but a pizza with a good glass of wine is a kind of perfection.

Ever since then, we've put as much thought into our wines as we do our food. We scour Italy and the world beyond to find the best wines. Our list is short, but carefully chosen to pair perfectly with our pizza.

It's a never-ending and very enjoyable mission. But our goal remains what it's always been – to bring you great pizza and great wine.
