

Edinburgh Airport 

STEM Centre

Become our STEM Champions 2027!

Edinburgh Airport is hosting a brand-new competition to get young people from Edinburgh, Lothians, Falkirk and Fife involved in STEM.

The challenge?

We want you to build an airport for everyone!

We're looking for teams of pupils to come up with ideas and designs on why it's important to make an airport for everyone, and how accessibility, inclusivity and innovation can all play their part in building an airport for the future.

Who is the competition open to?

Primary: P5 & P6

What is the prize?

An exclusive behind the scenes tour of Edinburgh Airport!

For more information about the competition including the application form, key timelines and guidance please go to the [Edinburgh Airport website](#).
