Standard performance equipment

- Regenerative braking system
- Dynamic brake support
- Brake hold
- Electronic stability and traction control
- Kinetic roll control
- Independent air suspension with 4 ride heights
- Tire pressure monitoring system

Standard exterior equipment

- LED front light bar with RGB design
- LED stadium headlights
- LED brake and taillights
- LED ambient lighting
- LED rear lightbar
- LED entry lights
- Lightbar charging indicator
- Rear fog lights
- Illuminated door sills
- Power folding side mirrors
- Heated auto-dimming side mirrors
- Lockable full-sized spare tire storage
- Gear Tunnel storage
- Underbed storage
- Rain-detecting variable intermittent wipers
- Gooseneck extendable tailgate
- Bumper-matched trailer hitch
- Power front trunk release
- Rivian Portable charger
- Tire mobility kit

Standard interior equipment

- 12.3" driver display screen
- 15.6" infotainment screen
- 6.8" rear screen
- Rivian navigation
- Voice assistance
- Hands-free Bluetooth® interface
- Heated and ventilated front seats with memory settings
- Garage door opener
- Panoramic glass roof
- Heated steering wheel
- Power tilt and telescoping steering column
- Dual zone automatic climate control
- Pre-entry climate control
- 8-way power driver and passenger lumbar adjustment with memory settings
- Wireless charging for up to 2 phones
- 6 USB-C charging ports
- 4 120V two-prong outlet
- 100% recycled microfiber headliner
- Integrated door flashlight
- E-latch door release
- Ignition-free drive

Standard safety and driver assistance features

- 6 front-row and 2 side-curtain airbags
- 12 ultrasonic surround sensors
- 11-camera surround view system
- Adaptive Cruise Control
- Automatic Emergency Braking
- Automatic High Beams
- Blind Spot Monitoring
- Forward Collision Warning
- Gear Guard Security System
- Highway Assist
- Lane Departure Warning
- Lane Keeping Assist
- Rear Cross-Traffic Warning
- SOS emergency response
- 360 View

1. Prices shown do not include all applicable taxes and fees.
2. Actual vehicle capability will depend on selected options and trim. Torque, horsepower, and acceleration timing estimates vary based on battery trim, drive modes, vehicle load and weather. All range estimates are based on a Dual Standard with 20" All-Season wheel and tire or Dual Large, Dual Max, Tri Max with 22" Sport wheel and tire. Official EPA values are noted — some range estimates are preliminary estimates based on the EPA's two-cycle test and 5-cycle EPA values. The EPA estimates range through a series of standardized lab tests that mimic real-world conditions. Factors including tires, drive modes, HVAC settings and accessories can all have an impact on range.
