Raising Awareness for PXE

Do you want to educate your community members, co-workers, friends, and family about PXE? In response to numerous requests, we've created an informative infographic to help you share what PXE is, who PXE International is, and how others can contribute!

Attached, you'll find a full-sized, printable flyer for your convenience. Let's join forces to raise awareness about PXE!

Help those suffering with Pseudoxanthoma Elasticum (PXE)

What is PXE?

A rare genetic disorder causing:

- severe legal blindness
- skin issues
- vascular complications

Who is PXE International?

Since 1995, we have been the vanguard against PXE by:

- pioneering research
- bringing together a global network of laboratories
- managing an extensive tissue bank/registry
- leading charge with clinical trials

Our Mission?

Support

A responsive lifeline to affected individuals, providing crucial information to those newly diagnosed.

Educate

Equip medical professionals with knowledge and resources to recognize and understand PXE.

Research

A collaborative research consortium that's the powerhouse for most of the world's research on PXE.

How can YOU help?

As a non-profit, we rely on donations and your contribution directly fuels research for treatment development and supports clinical trials.
