Donation Matching Campaign RESULTS

A big **THANK YOU** to all of you who donated this year to our fundraiser! We raised over **\$180,000** for PXE!

We want to express our heartfelt thanks to each of you for your generous contributions and participation in our fundraising efforts. Your support and dedication have truly made a difference, and we are grateful for your commitment to our cause! Together, we have achieved great things, and we look forward to continuing our work together in the future. Thank you once again for your kindness and generosity. The support you have given will go a

long way.

Now, in the stage of testing potential treatments, we have more work to do than ever! Because we are a nonprofit organization, we depend entirely upon donations and grants to fund research, support, and the general functions of our team, so thank you once again!

If you missed our fundraiser, no worries! You can always donate using the link below

Help those suffering with **Pseudoxanthoma Elasticum (PXE)**

What is PXE?
A rare genetic disorder causing:
• severe legal blindness
• skin issues
• vascular complications

Who is PXE International?
Since 1995, we have been the vanguard against PXE by:
• pioneering research
• bringing together a global network of laboratories
• managing an extensive tissue bank/registry
• leading charge with clinical trials

Our Mission?

Support
A responsive lifeline to affected individuals, providing crucial information to those newly diagnosed.

Educate
Equip medical professionals with knowledge and resources to recognize and understand PXE.

Research
A collaborative research consortium that's the powerhouse for most of the world's research on PXE.

How can YOU help?
As a non-profit, we rely on donations and your contribution directly fuels research for treatment development and supports clinical trials.
