A man with a beard, wearing a white shirt and a dark striped tie, is smiling and holding a tablet. He is standing in front of a large screen displaying a presentation titled 'GLOBAL MARKET AUTOMATION SOFTWARE MARKET FORECAST 2017-2025'. The screen shows various charts, including a world map, a gear diagram with 'TOP COMPANIES' (1, 2, 3, 4), and a bar chart. The text 'MARKET BY' and 'VE' are visible at the bottom of the screen. A teal banner is overlaid on the bottom left of the image.

We take flexible study seriously

When life gets busy, your Brunel studies move with you. While there are a few key dates to remember, the pace is yours to set. Here's an example of your timeline for our upcoming intake in September:

1

Secure your spot

Get your application in before the window closes. You'll need to submit everything by **19 September** to join our next intake.

3

Teaching begins

Access your first modules on **22 September** through our virtual learning environment, eVision.

5

Year 2

Dedicate your time to your dissertation and any remaining coursework.

2

Induction week

Kick off your studies with Induction Week, starting **8 September**. It's your chance to get set up, meet your tutors, and feel ready to begin.

4

Year 1

Build your foundational knowledge by working through your core and elective modules. You can complete these in any order.

6

Congrats, grad!

Put your diploma to work and land your next big job. Feel supported by our career services team and utilise FutureLearn's helpful career guides.

Core business modules

International Marketing

Understand what drives marketing success across borders, as you explore consumer behaviour, market entry, and strategy in international contexts.

International Business Strategy

Explore how multinationals shape strategy and structure to compete, grow, and lead on the global stage.

International Management

Gain the tools to manage across cultures and borders, applying international management theories to lead confidently in today's global business environment.

Global Business & Investments

Examine the forces that shape global business and uncover how multinationals expand, adapt, and thrive across borders.

International Trade

Unpack how trade, policy, and global institutions shape the ever-shifting landscape of international markets.

Understanding Business & Management Research

Turn research into action as you learn to interpret data, evaluate findings, and solve business challenges with confidence.

Understanding Business & Management Research

Turn research into action as you learn to interpret data, evaluate findings, and solve business challenges with confidence.

Core modules cover key concepts, theories, and practical applications central to your subject area, challenging you to think critically and apply your learning in real-time.

Elective business modules

International & Comparative HRM

Learn how global organisations adapt their HR strategies across regions, balancing cultural nuance with operational impact.

International Business Ethics & Corporate Governance

Master ethical leadership across cultures as you examine sustainability, governance, and responsible decision-making in global business.

Global Diversity Management

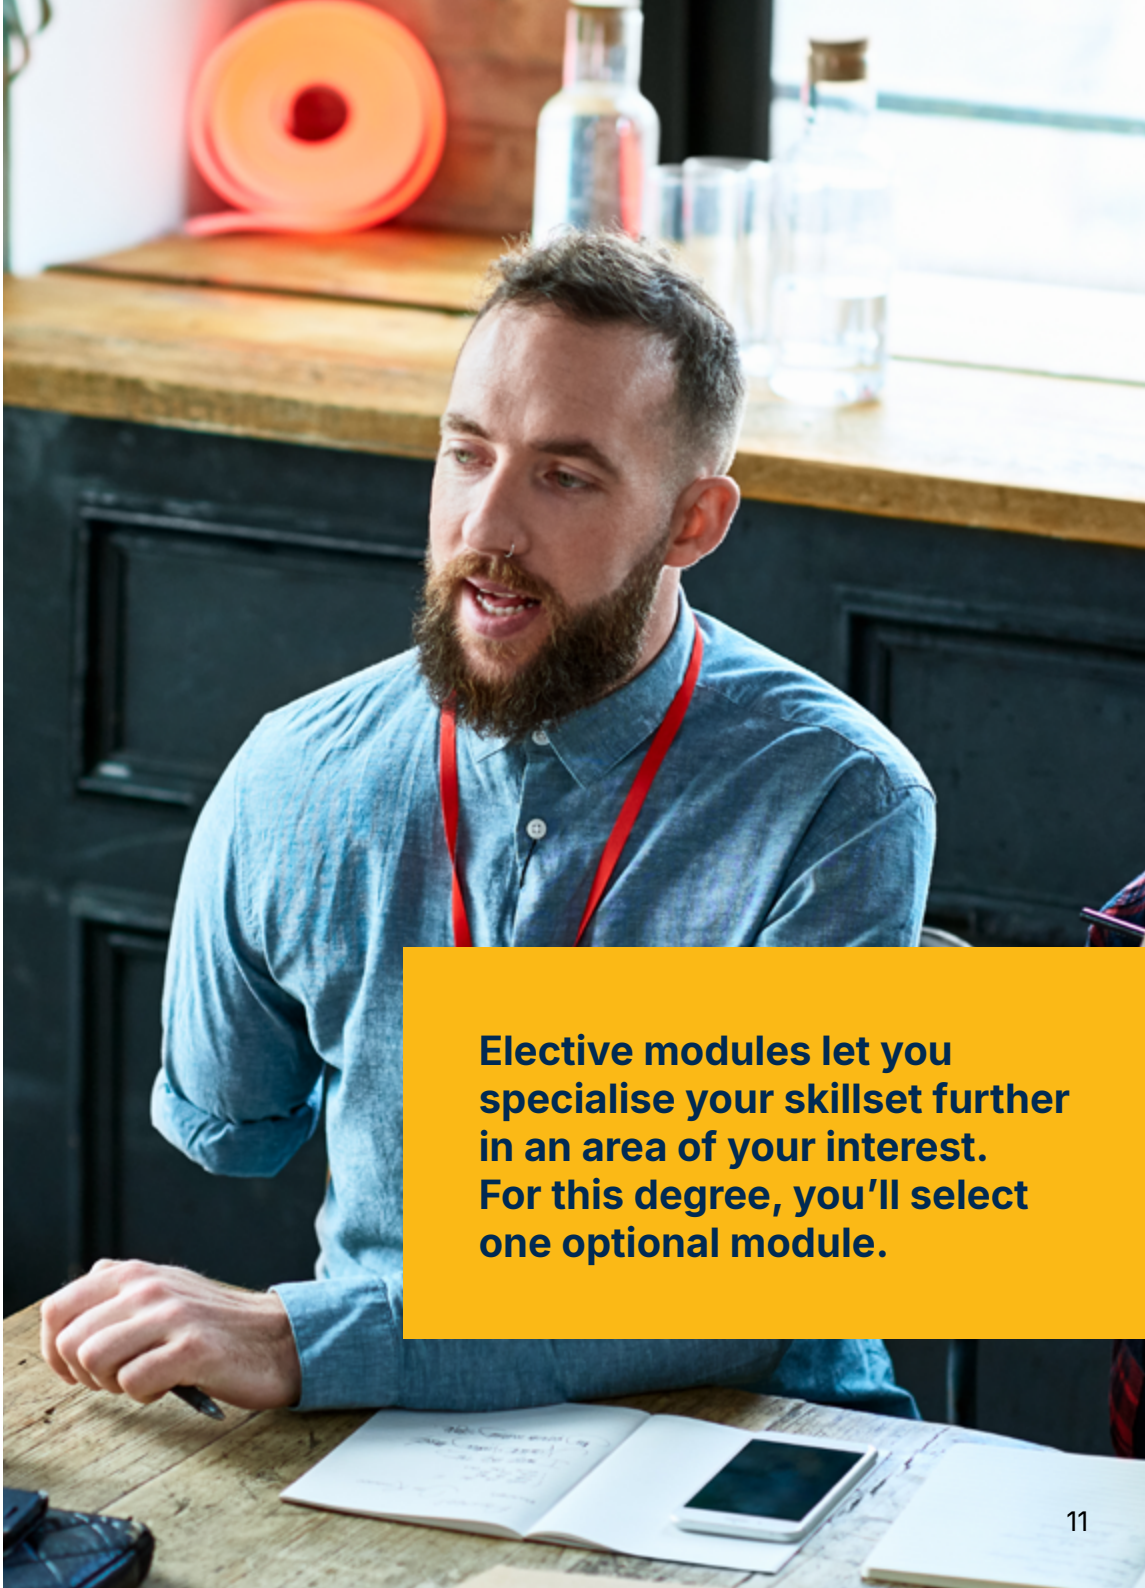

Explore how inclusive leadership and cross-cultural strategies drive innovation, equity, and lasting success in global organisations.

Knowledge Management, Social Networks & Innovation

See how successful organisations harness knowledge and platforms to drive innovation and build for the future.

Organisational Behaviour

Discover how leadership and behaviour influence motivation, culture, and performance across today's workplaces.

Elective modules let you specialise your skillset further in an area of your interest. For this degree, you'll select one optional module.

Learning that looks different

We know your time is valuable, so we make learning flexible and engaging. You'll connect theory with real-world skills through interactive tools and practical tasks that fit around your life and help you reach your goals.

Our academic support team is available 24/7 throughout your studies.

Focused content

Each module gives you a clear framework to grasp core concepts, understand business activities, and see how everything fits together.

Practical assessments

From essays to summative exams, you'll apply what you've learned through practical tasks that reflect real business challenges.

Interactive workshops

In small, interactive sessions, you'll test ideas and develop practical skills with the support of the Brunel online community.

Online tools

Online slides, exercises, and discussion boards help you stay engaged and supported throughout each module.

Curated reading lists

You'll have access to curated core and recommended texts that support your studies and help you explore topics in greater depth.

Capstone project

A final dissertation brings everything together and allows you to explore a topic that matters to you.

Build a better CV with in-demand business skills

Global skills

Evaluate international strategies, markets, and challenges through both theoretical insight and applied analysis.

Ethical skills

Integrate ethical principles and social responsibility into global business decisions that respect diverse cultures and markets.

Strategic skills

Use advanced models, theories, and digital tools to drive effective, sustainable business decisions worldwide.

Inclusive skills

Create innovative solutions that promote diversity and inclusion within dynamic, multicultural business environments.

Research skills

Design and conduct original research projects that deliver actionable insights for global business leaders.

Professional skills

Build analytical, interpersonal, and technical competencies to support career growth and success in international business.

Make your next step the easiest one yet.

Start by completing our online application form and uploading your supporting documents. Once submitted, our admissions team will review your application and keep you updated throughout the process.

Academic requirements

You'll need a 2:2 UK Honours degree (or equivalent international qualification) in any subject, whether it's related to business or not. No work experience is required to apply.

Language requirements

To join this programme, you'll need to show proof of English language proficiency. This can take the form of any of the following approved qualifications:

- IELTS: 6.5 (min 6 in all areas)
- Pearson: 59 (59 in all subscores)
- BrunELT: 63% (min 58% in all areas)
- TOEFL: 90 (min 20 in all)

Application requirements

You'll need to provide a copy of your passport, education certificate and transcripts, personal statement, CV in English, and proof of English proficiency when you apply.

Apply quickly and easily through our online portal.
