Attention Airport Users:

PPR in effect: Approved Prior Permission Required (PPR) is mandatory for all aircraft seeking to use North Las Vegas Airport (KVGT) between November 17, 2026, 0001 local to November 23, 2026, 2359 local.

Special Event fees in effect: November 17, 2026, 0001 local to November 21, 2026, 2000 local.

A PPR Number, issued via the www.vgt.aero website (FBO Notice of Arrival /Fee Estimate Tab) is required for each landing of itinerant aircraft. **A confirmation/PPR number will be provided after the Reservation form is completed and approved.** A Customer Service Representative may call to verify your Notice of Arrival. Confirmation will be sent via email.

The PPR number must be entered in the remarks section of your flight plan. PPR approvals will be limited based on ramp capacity and granted on a "First Come, First Served" basis.

Departure Slot Program (11/22 Only)

- A departure slot program will be in effect at VGT for all IFR aircraft departing on Sunday, November 22, 2026, due to an expected increase in air traffic following the event.
- All IFR departures on this date must have an assigned departure slot.
- Departure slots will be coordinated through the FBO (702-261-3803).
- Aircraft unable to depart within their assigned slot may face delays and must coordinate a new departure time based on availability.
- Slot compliance is essential to avoid significant delays and maintain safe, orderly traffic flow.
- Promptly notify the FBO of any departure schedule changes.

Aircraft based at KVGT are exempt from the PPR and Special Event Fee requirement.
