LAS is Red, White & Ready for Fourth of July Weekend

Making travel plans for the upcoming holiday weekend? Travelers are encouraged to use these tips to help navigate through the airport with ease.

Arrivals Made Easy

- **Use the Cell Phone Lot:** Avoid traffic jams – wait for your party in the free Cell Phone Lot on Kitty Hawk Way, open daily from 6 a.m. to 1 a.m.
- **Smart Pickups:** Coordinate pickup at the numbered columns in passenger pickup areas for faster connections.
- **Skip the Curb Hassle:** Parking at the curb is not allowed. If your guests aren't ready, use Short-Term Parking (first 15 minutes are free) or loop back to the Cell Phone Lot.

Plan Ahead for Smooth Departures

- **Make Parking Reservations in Advance:** Travelers can reserve parking in advance at Terminal 1 (Level 2M) for \$30/day and Terminal 3 (Level 1) for \$23/day. **Save money by using the discounted reservation parking in Terminal 3 for \$16/day Saturday to Wednesday or \$20/day Thursday and Friday.** Plan ahead and reduce stress by booking your spot at parking.harryreidairport.com. Unsure where to go for your parking reservation? Check out this video on our [Instagram](#). For information on updated parking rates, visit harryreidairport.com/parking-rate-updates.
- **Stay Informed:** Follow [@LASairport](https://twitter.com/LASairport) on X/Twitter, Facebook, and Instagram for updates, parking info, and tips.
- **Check Estimated TSA Wait Times:** Visit harryreidairport.com/security-wait-times to view insights into current security wait times. Please note that these estimated TSA wait times can fluctuate by the minute and should not be used to plan a later arrival to the airport.
- **Know Before You Go:** Visit tsa.gov or message [@AskTSA](https://twitter.com/AskTSA) for packing and screening questions.
- **Use Mobile Check-In:** Save time by checking in through your airline's app before heading to the airport.
- **Pack Smart:** Review your airline's baggage rules to avoid delays at check-in or security.
