Airport to Host 537,000 Passengers During Memorial Weekend *Holiday Travelers Advised to Plan Ahead and Use SpeedCheckSM*

McCarran International Airport officials are expecting approximately 537,000 passengers from Friday, May 26 through Monday, May 29, 2006. Passengers traveling without checked baggage are advised to use one of McCarran's SpeedCheckSM self-service kiosks to check in with their airline. Using a credit card for identification purposes, travelers without checked baggage can print a boarding pass and proceed directly to the security checkpoint.

"Using SpeedCheckSM is a great way for travelers to save time and avoid the lines at the ticketing counter," said Randall H. Walker, Clark County Department of Aviation director. "We now have more than 100 SpeedCheckSM kiosks conveniently located throughout the airport, outside security checkpoints, in the ticketing area and at the entrance from the parking garage."
